5	Elle: You guys are so sweet!						✓										
6	Serena: He just had lunch with his grandmother						✓										
7	Serena: You know he got the rock	✓															
8	Margot: Why else would she have flown in from Newport? It's not like she'd Fed Ex a six-carat diamond.	✓											✓				
9	Elle: Do you really think?						✓						✓				
10	Serena: I can't believe you're getting engaged	✓															
11	Elle: Oh my gosh.									✓							
12	Margot: I think you should go with red.	✓															
13	Elle: I can't look like I would on any other date.	✓															
14	Elle: This is the date the night I'll always remember	✓															
15	Elle: But not like I expect anything	✓															

16	Shop Keeper: There's nothing I love more than a dumb blonde with daddy's plastic. Did you see this one? We just got it in yesterday.				✓		✓							✓			
17	Elle: Is this low-viscosity rayon?													✓			
18	Elle: With a half-loop top-stitching on the hem?			✓													
19	Shop Keeper: Absolutely						✓										
20	Elle: It would snag the fabric	✓															
21	Elle: And you didn't just get it in						✓										
22	Elle: It would snag the fabric. And you didn't just get it in. I saw it in the June Vogue a year ago. If you're trying to sell it for full price, you picked the wrong girl.	✓					✓										
23	Elle: I'll be the future Mrs. Warner Huntington III.	✓															
24	Warner: You look so beautiful.						✓									✓	
25	Warner: Let's get out of here.													✓			
26	Elle: Must be strange having such perfect eyes	✓			✓												
27	Warner: God , you're so wonderful .						✓			✓						✓	
28	Elle: And I am fully amenable to that discussion						✓										
29	Warner: Good. You know how we've been having all kinds of fun lately? Well , Harvard is gonna be different. Law school is a completely different world and I need to be serious .	✓			✓		✓										
30	Elle: Of course .											✓					
31	Warner: I mean my family expects a lot from me.	✓															
32	Elle: Right .											✓					
33	Elle: I fully support that. You know that right?	✓		✓			✓						✓				

34	Warner: Absolutely . But the thing is if I'm going to be a senator by the time I'm thirty, I need to stop dicking around.	✓						✓									
35	Elle: Warner, I completely agree							✓									
36	Warner: That's why I think it's time for us, Elle, pooh bear...	✓															
37	Warner: I think we should break up.	✓															
38	Elle: What?											✓					
39	Warner: I've been thinking , and it's the right thing to do.	✓															
40	Elle: You are breaking up with me?			✓													
41	Warner: Elle, if I'm going to be a senator, I need to marry a Jackie, not a Marilyn.	✓															
42	Elle: You are breaking up with me because I'm too blonde?			✓				✓									
43	Warner: That's not entirely true.							✓									
44	Elle: Then what? My boobs are too big?			✓				✓									
45	Elle: So when you said that you always love me, you were just dicking around?			✓				✓									
46	Warner: It's not like I have a choice here, sweetheart! You get the car, I'll get the check.	✓												✓			
47	Elle: No											✓					
48	Warner: Elle, believe me. I never expected to do this, but I think it's the right thing.	✓															
49	Elle: How can it be the right thing when we're not together?												✓				

50	Warner: I have to think of my future and what my family expects of me.	✓															
51	Elle: So you're breaking up with me because you're afraid your family won't like me?			✓													
52	Warner: Well , east Coast people are different.	✓															
53	Elle: Because I'm not a Vanderbilt, suddenly I'm white trash?			✓													
54	Elle: Most people would agree that's a lot better, than some stinky old Vanderbilt!	✓															
55	Warner: I need someone serious .				✓												
56	Elle: But I'm seriously in love with you. Isn't that enough?						✓						✓				
57	Warner: Pooh bear, just get in the car. You'll ruin your shoes.	✓					✓							✓			
58	Elle: OK											✓					
59	Amy Friend: Sweetie, didn't you hear?												✓				
60	My friend: It's terrible				✓												
61	Margot: It's been, like , a week.						✓										
62	Serena: What always makes us feel better, no matter what?												✓				
63	Serena: It was so sad.						✓										
64	Margot: Totally						✓										
65	Serena: She hasn't conditioned her hair like a week	✓															
66	Margot: So trailer park						✓										
67	Elle: Oh my god! Do you know who this is?								✓				✓				
68	Old women: Practically deformed?			✓													
69	Elle Mom: Why are you gonna throw that all away?												✓				

70	Elle: Going to Harvard is the only way I'll get the love of my life back	✓															
71	Elle's Dad: Law school is for people who are boring and ugly and serious.				✓												
72	Teacher: Harvard law school?			✓													
73	Teacher: What are your back-ups?												✓				
74	Teacher: Well , then, you'll need excellent recommendations from your professors.	✓															
75	Margot: Oh, my God. What are you doing?								✓				✓				
76	Serena: You mean like on vay-kay?	✓		✓													
77	Margot: Let's all go!					✓								✓			
78	Margot: Why?											✓					
79	Serena: Elle, now, I know you're upset about all this but can't you just take a Percoset?	✓					✓						✓				
80	Elle: Ok, Once Warner sees me as a serious law student, he'll totally want me back.It's a completely brilliant plan!	✓					✓				✓						
81	Margot: But isn't it hard to get into law school?												✓				
82	Margot: Oh, well . Here, you're gonna need this	✓															
83	Elle: Your scrunchy?			✓													
84	Margot: My lucky scrunchy.				✓												
85	Elle: As you know , she's been brainwashed by the evil Stefano.	✓															
86	Elle: What?												✓				
87	Elle: And that's why you should vote for me, Elle Woods,future lawyer for the class of 2004.	✓															
88	Prof 2: A fashion major?			✓													

89	Prof 3: Well , sir, we've never had one before and aren't we always looking for diversity?	✓											✓				
90	Prof 4: Her list of extracurricular activities is impressive .										✓						
91	Prof 1: Clearly , she's interested in music.	✓															
92	Men: Hey, Brad, check out Malibu Barbie! Where's the beach, honey?												✓	✓			
93	Elle: Good boy.				✓												
94	Men: Check her out. Look at the way she walks.													✓			
95	Elle: Everyone will love you.	✓															
96	Elle: Social events-- you know , mixers,formals, clambakes, trips to the Cape. Has Warner Huntington III checked in yet?	✓											✓				
97	Desk Men: No, Maybe you should check with the cruise director on the Lido deck.	✓															
98	Men: Let's start with you.													✓			
99	Men: Awesome. What about you?												✓			✓	
100	Men: Killer .																
101	Men: Cool .															✓	
102	Men: Yeah .											✓					
103	Elle: Two weeks ago I saw Cameron Diaz at Fred Segal and I talked her out of buying this truly heinous angora sweater. Whoever said orange was the new pink was seriously disturbed.	✓						✓									
104	Elle: I totally look the part.						✓										
105	Elle: I totally forgot you go here.						✓										

106	Warner: You go where?			✓													
107	Elle: What, like it's hard? Oh, my gosh, Warner, it'll be so great. I'm planning this great mixer. You have to help me. I'm thinking like a luau or casino night. It'll be just like senior year except funner.	✓		✓						✓							
108	Warner: You got into Harvard Law?			✓													
109	Prof women: A legal education means you will learn to speak in a new language. You will be taught to achieve insight into the world around you and to sharply question what you know. The seat you have picked will be yours for the next nine months of your life.	✓															
110	David: Yes											✓					
111	Prof: Would you be willing to stake your life on it?	✓											✓				
112	Prof: Well , I recommend knowing before speaking. The law leaves much room for nterpretation but very little for self-doubt... Good job. Now, I assume all of you have read pages 1-48 and are now well-versed in subject matter jurisdiction. Who can tell us about Gordon vs. Steele? Let's call on someone from the hot zone.	✓						✓					✓	✓			
113	Prof: What about his life?												✓				
114	Prof: Do you think it's acceptable that Ms. Woods is not prepared?												✓				
115	Prof: Would you support my decision to ask her to leave class and to return only when she is prepared?	✓											✓				
116	Vivian: Absolutely.							✓									
117	Prof: Now, Ms. Kensington did diversity jurisdiction exist in this case?												✓				

118	Prof: Good. How about in the case of Owens vs. McCulloch?												✓				
119	Elle: So stupid! Who does she think she is?						✓						✓				
120	Emmet: Are you ok?												✓				
121	Elle: Do they put you on the spot like that all the time?												✓				
122	Elle: So, If you don't know the answers, they just kick you out?			✓													
123	Emmet: You have Stromwell, huh?			✓													
124	Elle: Yes! Did she do that to you, too?												✓				
125	Emmet: I mean , not in class. I waited till I got back to my room, but she'll kick you right in the ball, Or wherever, you know . She's really tough .	✓			✓		✓										
126	Emmet: Don't worry, it gets better. Who else do you have?												✓				
127	Emmet: Let's see, speak up in Callahan's class. He really likes people that are opinionated.						✓							✓			
128	Elle: OK											✓					
129	Emmet: And in Royalton's class try to get a seat in the back. He spits when he talks about products liability. And for Levinthal, you know, make sure you read the footnotes.	✓												✓			
130	Elle: Are you a third year?												✓				
131	Emmet: Well..	✓															
132	Elle: Hi! Thanks for all your help.								✓								
133	Warner: Hii, So, how was your first class?												✓				

134	Elle: It was good, except for this horrible preppy girl who made me look bad in front of the professor. But no biggie. You're here now. So, how was your summer?				✓								✓				
135	Elle: Did you do anything exciting? Have you met Vivian?												✓				
136	Elle: Do you know her?												✓				
137	Elle: I'm sorry. I just hallucinated. What?						✓										
138	Warner: And, well , we got back together this summer at my grandmother's birthday party.	✓															
139	Elle: Oh, thank God! Are you free?												✓				
140	Paulette: Bad day?			✓													
141	Elle: You can't even imagine.	✓															
142	Elle: And now he's engaged to this awful girl Vivian, so it was all for nothing, and I, I just wish...I just wish I had never gone to Harvard.						✓		✓								
143	Elle: What am I supposed to do?												✓				
144	Paulette: I mean...	✓															
145	Elle: Oh, no. That's awful .				✓												
146	Elle: No											✓					
147	Paulette: What's a girl to do?												✓				
148	Paulette: That's terrible				✓												
149	Paulette: So what's this Vivian got that you don't have? Three tits?			✓									✓				
150	Paulette: Is she as pretty as you?												✓				
151	Elle: She could use some mascara and some serious highlights but she's not completely unfortunate looking	✓					✓										

152	Paulete: Aw, shit . Could I have been any more goddamn spastic?	✓													✓		
153	Paulete: Are you sure this Warner guy is, like , the one?	✓											✓				
154	Elle: Definitely . I love him.	✓					✓										
155	Paulete: Well , if a girl like you can't hold on to her man then there sure as hell isn't any hope for the rest of us. What are you waiting for? Steal the bastard back.	✓											✓				
156	Prof Callahan: I should warn you that in addition to competing against each other for the top grade in this class you will also be competing for one of my firm's highly coveted four internship ✓ next year where you will get to assist on actual cases. Let the bloodbath begin. Now, let's commence with our usual torture. Ms. Woods, would you rather have a client who committed a crime malum in se or malum prohibitum?	✓						✓					✓	✓			
157	Prof Callahan: And why is that?												✓				
158	Prof Calahan: Ms. Kensington, which would you prefer?												✓				
159	Prof Callahan: Well done, Ms. Kensington.	✓														✓	
160	Man: Who is that?												✓				
161	Men: Can she play?												✓				
162	Men: Get outta here													✓			
163	Warner: Elle, what are you doing here?												✓				
164	Elle: Look , I brought sustenance. Who's first?												✓		✓		
165	Elle: Is this like an RSVP thing?												✓				
166	Warner: Come on , we can make room for one more.	✓												✓			

167	Elle: Oh, OK. I'll just leave, then.						✓										
168	Women 1: Hey, maybe there's, like , a sorority you could, like , join instead, like ?	✓											✓				
169	Elle: If you had come to a rush party I would have at least been nice to you.	✓															
170	Women 2: Is that before you voted against me and then called me a dyke behind my back?												✓				
171	Margot: Guess what I'm doing right this second!													✓			
172	Elle: What?											✓					
173	Serena: Did you get the rock yet?												✓				
174	Serena: Well, hurry up!	✓												✓			
175	Elle: The people here are so vile. Hardly anybody speaks to me						✓										
176	Serena: Oh, my God!									✓							
177	Elle: What?											✓					
178	Serena: My hair is so now.						✓										
179	Elle: Really?											✓					
180	Margot: OK, so just listen to me. Keep June 1st open, you're one of my bridesmaids and give Warner our love because I'm getting married!						✓							✓			
181	Vivian: So don't forget .													✓			
182	Vivian's friend: It'll be a really nice party.	✓					✓										
183	Men: We'll be there	✓															
184	Vivian: And don't forget to bring your own merlot!														✓		
185	Men: OK												✓				

186	Elle: Is somebody at this school actually having a party?												✓				
187	Vivian's friend: Yes											✓					
188	Vivian: You probably wouldn't want to come.	✓															
189	Vivian: Well , then I guess we'll see you there.	✓															
190	Elle: OK											✓					
191	Women curly hair with sunglasses: Oh, my God!									✓							
192	Elle: : Thanks for inviting me, girls.								✓								
193	Vivian: Nice outfit.															✓	
194	Vivian: Oh, she's horrible				✓												
195	Men: Nice ears.															✓	
196	Elle: How you doin'?												✓				
197	Warner: Don't you look like a walking felony?												✓				
198	Elle: Thank you. You're so sweet. Are you having fun?						✓		✓				✓				
199	Warner: What's with the costume?												✓				
200	Warner: Really?											✓					
201	Elle: I feel like we barely get to see each other since we've been here.	✓															
202	Warner: I know. I'm so busy with these case studies and hypos.	✓					✓										
203	Elle: I know what you mean. I can't imagine doing all this and Callahan's internship next year. That's gonna be so much.	✓					✓										

204	Warner: Elle, come on, you'll never get the grades to qualify for one of those spots.	✓															
205	Elle: Wait, am I on glue or did we not get into the same law school?												✓				
206	Warner: Yeah, but--											✓					
207	Warner: I know , but come on, Elle, be serious. You can do something more valuable with your time.	✓															
208	Elle: I'm never going to be good enough for you, am I?		✓														
209	Elle: Just forget it! I'll show you how valuable Elle Woods can be!	✓					✓							✓			
210	Elle: Don't ask.													✓			
211	Vivian: Look.													✓			
212	Men: Was she carrying books?												✓				
213	Elle: : Thanks.								✓								
214	Prof women: What next? Ms. Woods?												✓				
215	Elle: : Don't you need to have evidence?												✓				
216	Prof women: Meaning?			✓													
217	Elle: Meaning you need reasonable belief that your claim should have, like , evidenciary support?	✓		✓													
218	Prof: And what kind of evidenciary support does this case require?												✓				
219	Prof Callahan: And the purpose of diminished capacity is?			✓													

220	Elle: To negate mens rea?			✓													
221	Elle: Are you ready?												✓				
222	Paulete: No											✓					
223	Elle: Go! You can do this.	✓												✓			
224	Paulete: Listen to me, Dewey. You shut your mouth. No, you shut your big mouth. I'm doing all the talking.						✓							3			
225	Dewey: What the hell do you want?											✓			✓		
226	Paulete: I just thought that...						✓										
227	Dewey: You just thought you could come here and show me what I'm definitely not missing?	✓					✓										
228	Dewey: How many times you gonna come over here begging me to take you back, huh?											✓					
229	Elle: Do you understand what subject matter jurisdiction is?											✓					
230	Dewey: Who's asking?											✓					
231	Dewey: Come again?			✓													
232	Dewey: No											✓					
233	Elle: Well..	✓															
234	Dewey: Come again?			✓													
235	Elle:...Miss Bonifante is entitled to full canine property ownership and will be enforcing said ownership right now. Tell him , Paulette.	✓												✓			
236	Paulete: : I'm taking the dog, dumbass!														✓		
237	Elle: That's awesome! We did it!									✓							
238	Paulete: Come here.													✓			

239	Elle: Oh, my gosh , did you see him? He's probably still scratching his head.	✓								✓			✓				
240	Paulete: Thank you .								✓								
241	Warner: According to Swinney vs. Neubert, Swinney, who was also a private sperm donor was allowed visitation rights as long as he came to terms with the hours set forth by the parents. So, if we're sticking to past precedent Mr. Latimer wasn't stalking. He was clearly within his rights to ask for visitation.	✓															
242	Warner: But, I mean without this man's sperm the child in question wouldn't exist.	✓															
243	Prof: Interesting. Why do you ask?												✓			✓	
244	Elle: Well... Why now? Why this sperm?	✓											✓				
245	Elle: All masturbatory emissions where his sperm was clearly not seeking an egg could be termed reckless abandonment.	✓															
246	Prof: I believe you've just won your case. Ms. Woods, you did well today.	✓						✓								✓	
247	Prof: You're applying for my internship, aren't you?		✓														
248	Prof: You should. Do you have a resume?	✓											✓				
249	Elle: I think it gives it a little something extra.	✓															
250	Prof: Do you think she woke up one morning and said... "I think I'll go to law school today."	✓											✓				
251	Emmet: I think she's got a lot of potential.	✓															

252	Prof Callahan: Smell this.													✓			
253	Emmet: What's that?												✓				
254	Emmet: Smells good.															✓	
255	Elle: What's going on?												✓				
256	David: His case load is so big.						✓										
257	Elle: He picked them already?			✓													
258	Vivian: My God, I can't believe it, Warner!	✓								✓							
259	Warner: Yes											✓					
260	Elle: Warner, Do you Remember when we spent those four amazing hours in the hot tub after winter formal?												✓				
261	Warner: Yeah--No.											✓					
262	Vivian: Four hours?			✓													
263	Elle: You look very nice today, Vivian.															✓	
264	Vivian: Thank you								✓								
265	Prof Callahan: We're defending Brooke Windham whose very wealthy husband...						✓										
266	Vivian: Gold digger?			✓													
267	Elle: Wait, Are you talking about Brooke Taylor?												✓				
268	Prof Callahan: You know her?			✓													
269	Elle: She's amazing!										✓						
270	Elle: She can make you lose three pounds in one class. She's completely gifted.	✓					✓										
271	Prof Callahan: In all likelihood, she's completely guilty.						✓										
272	Emmet: Thanks for the introduction.								✓								
273	Warner: So, What about the murder weapon?												✓				

274	Elle: I just don't think Brooke could have done this...They just don't.	✓					✓										
275	Brooke: Why would I kill my husband?												✓				
276	Prof Callahan: The D.A. will come up with plenty of reasons.	✓															
277	Prof Callahan: Brooke, I believe you but a jury is going to want an alibi.	✓															
278	Brooke: I can't give you that and if you put me on the stand, I'll lie	✓															
279	Brooke: You took my class in L.A. You had the best high-kick I've ever seen. Are you one of my lawyers?												✓				
280	Brooke: Well, thank God one of you has a brain.	✓															
281	Elle: I'm the only one that believes her. Callahan totally thinks she's guilty.	✓					✓										
282	Paulete: Oh, my God.								✓								
283	Elle: That's great , Paulette. Is this the only interaction you two have ever had?									✓		✓					
284	Elle: Why don't you offer him a cold beverage or a neck massage or something?											✓					
285	Paulete: What's the point?											✓					
286	Elle: Trust me , Paulette. You have all the equipment you just need to read the manual. Do you know what I'm saying? I'll show you a little maneuver my mother taught me in junior high.	✓					✓							✓			
287	Elle: Watch this. "Oh! I think I dropped something on the floor."So you bend...and snap! See? Come on. You	✓											✓				

	try it.																
288	Women: Like this?			✓													
289	Elle: Good snap. Come on. You! Come on , you can do it. Bend...and snap. Very, very good. We can all do it! Come on , guys. Bend...and snap! Good job! A little attitude, please. Now, everybody smile. That's very important. Pump! Pump! Pump! Bend...and snap! Good job , everybody! Work it out! Work it out! That's it! Wow! Come on , Paulette! Bend and snap!	✓					✓		✓		✓			✓			
290	Guy: Oh, my God!									1							
291	Emmet: If Brooke didn't kill the guy, then who did?	✓											✓				
292	Curly Men: What about the mother?												✓				
293	Elle: All I know is it's not Brooke.	✓					✓										
294	Brooke: You're an angel.															✓	
295	Elle: So how are you? Are you all right? You look so orange						✓						✓				
296	Elle: He means well. He's very brilliant.	✓					✓				✓						
297	Elle: Professor Callahan says we really need your alibi.						✓										
298	Brooke: Elle, I can't . You don't understand.	✓															
299	Elle: Who could understand better than me?												✓				
300	Brooke: It's so shameful.				✓		✓										
301	Elle: : Whatever it is, Brooke, it could save you.	✓															
302	Brooke: That's just it. It would ruin me.	✓					✓										

303	Elle: I know , You helped me go from a six to a four.	✓															
304	Brooke: That's great! On the day of Heyworth's murder, I was getting...										✓						
305	Broke: Oh, God! I know! I'm a fraud! It's not like normal women can have this ass! If my fans knew that I bought it. I would lose everything!	✓								✓							
306	Brooke: Thank you.								✓								
307	Prof Callahan: Vivian, grab me some coffee. We got two interviews tomorrow that Gerard and Bobby will handle. The ex-wife in an hour... Anyone you know?	✓		✓										✓			
308	Prof Callahan: What the hell do you mean you went to visit her?												✓			✓	
309	Prof Callahan: Did you get it?												✓				
310	Elle: It's really good.						✓				✓						
311	Prof Callahan: Great. What is it?												✓			✓	
312	Elle: I can't tell you.	✓															
313	Prof Callahan: Why the hell not?												✓			✓	
314	Elle: Because I promised her I'd keep it a secret and I can't break the bonds of sisterhood.	✓															
315	Prof: I want the alibi!													✓			
316	Elle: I can't give it to you but I can tell you she is innocent.	✓			✓												
317	Men: Are you crazy? Just tell him the alibi.						✓						✓	✓			
318	Sunglasses Men: We'll lose this case if you don't.	✓															
319	Elle: Then we're not very good lawyers.				✓		✓										

320	Warner: If you tell him, he'll probably hire you as a summer associate. Who cares about Brooke? Think about yourself.	✓											✓	✓			
321	Prof Callahan: The ex-wife seems to be unconcerned with the fact that her interview is today.	✓															
322	Men: A spa? Isn't that like your mothership?			✓									✓				
323	Elle: I could go if you want me to.	✓															
324	Prof Callahan: Emmett, go with her.													✓			
325	Emmet: She seems completely untrustworthy to me.	✓					✓										
326	Elle: Why?											✓					
327	Emmet: I mean , this is a person who's made her living by telling women that they're too fat.	✓					✓										
328	Elle: Brooke would never tell a woman she was too fat.	✓					✓										
329	Emmet: And she seems like she's hiding something.	✓															
330	Emmet: Maybe it's exactly what I think.	✓					✓										
331	Elle: You're really being a butthead.				✓		✓										
332	Emmet: A butthead? Why would you call me that?												✓				
333	Elle: You might be surprised.	✓															
334	Emmet: I can't believe you called me a butthead. No one's called me that since the ninth grade.	✓															
335	Emmet: So this is what a spa looks like. Wow. How do we find her?	✓												✓			
336	Emmet: She's not naked, is she?		✓														
337	Emmet: Well...	✓															

338	Elle: Do you have any reason to believe that it did?												✓				
339	Emmet: Did your daughter ever mention anything about the relationship between Brooke and Heyworth?												✓				
340	Emmet: Why do you say that?												✓				
341	Windham: Well , haven't you seen the cabana boy?	✓											✓				
342	Emmet: And you know this for a fact?	✓		✓													
343	Elle: Did you see the icky brown color of her hair?												✓				
344	Emmet: So? Now you discriminate against brunettes?			✓													
345	Emmet: Being a blonde is actually a pretty powerful thing . You hold more cards than you think you do. I personally would like to see you take that power and channel it towards the greater good, you know .	✓										✓					
346	Elle: Thanks .								✓								
347	Emmet: All right .												✓				
348	Emmet: How do you think I'd look as a blonde you know?	✓												✓			
349	Elle: I'm not sure you could handle it.	✓															
350	David: I was thinking maybe we could go out sometime	✓															
351	Women: Look, I'm not going out with you. I can't believe you'd even ask. Girls like me don't go out with losers like you. Let's get out of here.	✓															
352	Elle: Why didn't you call me?												✓				
353	Elle: We spent a beautiful night together and I never hear from you again?			✓													

354	Elle: Sorry for what? For breaking my heart or for giving me the greatest pleasure I've ever known and then just taking it away?			✓													
355	Elle: Well , forget it.	✓												✓			
356	Women: So... when did you want to go out?													✓			
357	Vivian: Are you done with that deposition yet?													✓			
358	Elle: Yeah. Here, take it .													✓			
359	Vivian: You know , Elle, I still can't believe you didn't tell Callahan the alibi.	✓															
360	Vivian: I know . And I thought that was very classy of you.	✓			✓		✓										
361	Elle: Really?											✓					
362	Elle: Thanks .								✓								
363	Vivian: Sure											✓					
364	Vivian: Did you ever notice how Callahan never asks Warner to bring him his coffee?												✓				
365	Elle: Men are helpless . You know that.	✓			✓												
366	Vivian: I know .	✓															
367	Vivian: I know . Did you know when he first applied he got wait-listed?	✓												✓			
368	Elle: What?											✓					
369	Vivian: God , that is such a precious dog.								✓								
370	Elle: Do you want to hold him? He's very friendly.						✓							✓			
371	Vivian: Sure .											✓					

372	Female Lawyer: And where was she exactly?												✓				
373	Female Lawyer: And what was the defendant doing?												✓				
374	Windham: Well, She was sitting next to the pool, topless while the Latin boy handed her a drink.	✓						✓									
375	Female Lawyer: Mr. Salvatore, can you tell us what this is?	✓											✓				
376	Female Lawyer: This is the uniform Mrs. Windham asked you to wear while cleaning her pool?			✓													
377	Salvatore: Yes											✓					
378	Female Lawyer: Are you having an affair with Brooke Windham?												✓				
379	Salvatore: Define "affair."													✓			
380	Female Lawyer: Have you and Mrs. Windham had sexual relations?												✓				
381	Judge: Ladies and gentlemen, court will reconvene tomorrow morning at 9 A.M. We're adjourned.							✓									
382	Brooke: You know...	✓															
383	Brooke: I just liked watching him clean the filter.						✓										
384	Elle: I know, I believe you, Brooke.	✓															
385	Brooke: Take care of me, Elle.													✓			
386	Packet Men: Can you sign?												✓				
387	Elle: You broke his nose?			✓													
388	Paulete: My snap was all over the place.						✓										

389	Elle: I'll be there as soon as court is out. We have to cross-examine Enrique. But don't worry. My girlfriend Serena barfed on a guy during "The Blair Witch Project" and they ended up dating for three months.	✓						✓									
390	Salvatore: Don't stomp your little last-season Prada shoes at me honey.												✓				
391	Emmet: What?			✓													
392	Elle: Warner, What kind of shoes are these?											✓					
393	Prof Callahan: What are you talking about?											✓					
394	Emmet: Back up. How do you know he's gay?											✓		✓			
395	Brooke: Know what?			✓													
396	Prof Callahan: Well , I appreciate your masterful legal theory.	✓															
397	Emmet: Ok, I'll take care of it. Thanks.	✓							✓								
398	ELLE: OK											✓					
399	Prof Callahan: Mr. Salvatore, do you have any proof that you and Mrs. Windham were having an affair?												✓				
400	Prof: Well , If that's all the proof that he has, Your Honor. I think I'm done here.	✓															
401	Emmet: I'd like to ask a couple of questions, Your Honor. Just give me a couple minutes. Did you ever take Mrs. Windham on a date?	✓						✓					✓				
402	Salvatore: Yes											✓					

403	Emmet: Where?											✓	✓				
404	Emmet: How long have you been sleeping with Mrs. Windham?												✓				
405	Emmet: Alright											✓					
406	Emmet: Oh, ok																
407	Chuck: You bitch!															✓	
408	Judge: Silence!														✓		
409	Judge: Silence in my court! Sit down , Mr. Salvatore. Silence in my courtroom!														✓		
410	Women: How did I miss that? You were great.										✓		✓				
411	Judge: Silence in my courtroom!														✓		
412	Emmet: Thanks								✓								
413	Elle: Really?											✓					
414	Elle: Do you need any help?													✓			
415	Prof Callahan: Come on in. Sit down.														✓		
416	Elle: Is everything all right?													✓			
417	Prof Callahan: I should have listened.	✓															
418	Elle: Thank you.								✓								
419	Prof: IThat's what makes a good lawyer . On top of that, you gained the client's trust and kept it--that's what makes a great lawyer . You're smart , Elle.										✓						1
420	Prof Callahan: I think it's time to discuss your career path. Have you thought about where you might be a summer associate?	✓												✓			
421	Elle: : Not really . I know it's very competitive.	✓					✓										

422	Prof Callahan: Well, You know what competition's really about? It's about ferocity, carnage. Balancing human intelligence with animal diligence. Knowing exactly what you want and how far you'll go to get it. How far will Elle go?	✓					✓						✓				
423	Elle: Are you hitting on me?												✓				
424	Prof Callahan: You're a beautiful girl.															✓	
425	Elle: So everything you just said...						✓										
426	Elle: And I'm a law student who just realized her professor is a pathetic asshole .				✓		✓								✓		
427	Prof Callahan: Too bad.						✓										
428	Elle: What?											✓					
429	Emmet: Why?											✓	✓				
430	Emmet: What are you talking about?												✓				
431	Emmet: Callahan did what?												✓				
432	Elle: Just forget about it... No more trying to be something that I'm just .. I'm just not.						✓										
433	Emmet: What if you're trying to be somebody you are? The hell with Callahan. Stay .	✓											✓	✓	✓		
434	Elle: Call me if you're ever in California, ok.													✓			

435	Elle: I just felt, like , for the first time that someone expected me to to do something more with my life than become a Victoria's Secret model... Callahan never saw me as a lawyer, just as a piece of ass. Just like everybody else. Turns out I am a joke.	✓						✓									
436	Elle: The hell with law school. I just wanted to say good-bye.							✓								✓	
437	Prof Women: If you're going to let one stupid prick ruin your life, you're not the girl I thought you were.	✓							✓								
438	Brooke: Is he always such an ass?												✓				
439	Emmet: Of course he's an ass .														✓		
440	Emmet: He's an ass that'll try.	✓													✓		
441	Brooke: He thinks I'm guilty, doesn't it?		✓														
442	Brooke: If he doesn't trust me, why should I trust him?	✓											✓				
443	Emmet: You don't know what the hell you're talking about.	✓														✓	
444	Brooke: What's going on here?												✓				
445	Brooke: What?											✓					
446	Brooke: My God.									✓							
447	Vivian: Oh, God									✓							
448	Brooke: What?																
449	Emmet: Well..	✓															
450	Brooke: Thank you.								✓								
451	Prof Callahan: What are you so happy about?												✓				
452	Brooke: Get up.														✓		

453	Prof Callahan: What?											✓	✓				
454	Prof Callahan: Who?											✓	✓				
455	Prof Callahan: She can't defend you.	✓															
456	Elle: Thank you , David.								✓								
457	Judge: Counselors, approach the bench .													✓			
458	Judge: Counselors, now. All of you .						✓							✓			
459	Elle: Elle Woods, Your Honor. Rule 3.03 of Supreme Judicial Court states that a law student may appear on behalf of a defendant in criminal proceedings.							✓									
460	Judge: The ruling also states that you need a licensed attorney to supervise you. Mr. Callahan?							✓									
461	Emmet: I'll supervise, Your Honor.	✓															
462	Judge: Well , Ms. Woods, proceed.	✓															
463	Elle: Thank you, Your Honor .								✓								
464	Judge: Mrs. Windham, you do realize what you're doing?							✓									
465	Brooke: Absolutely .						✓										
466	Serena: Oh, my God!									✓							
467	Serena: Look how cute .				✓									✓			
468	Margot: Vote for Elle!													✓			
469	Judge: Ladies, take a seat .													✓			
470	Judge: Ms. Woods, you may begin your questioning.	✓															

471	Elle: First of all I would like to point out that not only is there no proof in this case but there is a complete lack of mens rea which by definition tells us there can be no crime without a vicious will.							✓									
472	Judge: I am aware of the meaning of mens rea. What I'm unaware of is why you're giving me a vocabulary lesson when you should be questioning your witness.							✓									
473	Elle: Miss Windham, when you arrived back at the house was your father there?												✓				
474	Daughter: Not that I saw, but like I said,...	✓															
475	Elle: And when you came downstairs, what happened?												✓				
476	Elle: But Mrs. Windham didn't have a gun?												✓				
477	Elle: Miss Windham, did you hear a shot fired?												✓				
478	Elle: So, sometime in the 20 minutes that you were in the shower, your father was shot?			✓													
479	Elle: ... because you were in the shower?			✓													
480	Men: Where is she going with this?												✓				
481	Emmet: Have a little faith , Gerard.													✓			
482	Elle: Miss Windham what had you done earlier that day?												✓				
483	Elle: Where you got in the shower?												✓				
484	Judge: : I believe the witness..	✓															
485	Elle: Miss Windham, had you ever gotten a perm before? How many would you say?												✓				

486	Elle: You know, A girl in my sorority, Tracy Marcinko, got a perm once. We all tried to talk her out of it. Curls weren't a good look for her. She didn't have your bone structure. But, thankfully, that same day she entered the Beta Delta Pi wet t-shirt contest where she was completely hosed down from head to toe.	✓			✓		✓	✓									
487	Female Lawyer: Why is this relevant?												✓				
488	Judge: Then make it.													✓			
489	Elle: Chutney, why were Tracy Marcinko's curls ruined when she got hosed down?												✓				
490	Chutney: Because they got wet?			✓													
491	Elle: Exactly. Isn't it the first cardinal rule of perm maintenance that you're forbidden to wet your hair for at least 24 hours after getting a perm at the risk of deactivating the ammonium thioglycolate?							✓					✓				
492	Chutney: YES											✓					
493	Elle: And wouldn't somebody who's had, say, 30 perms in their life be well aware of this rule? And if in fact you weren't washing your hair as I suspect, because your curls are still intact wouldn't you have heard the gunshot? And if in fact you had heard the gunshot Brooke Windham wouldn't have had time to hide the gun before you got downstairs which would mean you would have had to have found Mrs. Windham with a gun in her hand to make your story plausible. Isn't that right?	✓											✓				

494	Chutney: Did she tell you that? How would you feel if your father married someone your age?	✓											✓				
495	Elle: Oh, my God								✓								
496	Brooke: Oh, my God								✓								
497	Judge: Oh, my God								✓								
498	Judge: Bailiff, take the witness into custody where she will be charged for the murder of Heyworth Windham. In the matter of The State vs. Brooke Windham this case is dismissed. Mrs. Windham, you are free to go.	✓						✓								✓	
499	Brooke: Thank you! Thank you!								✓								
500	Reporter: Elle, how did you know Chutney was lying?												✓				
501	Brooke: Because she's brilliant , of course.										✓						
502	Elle: What?											✓					
503	Warner: I just wanted to say that you were so brilliant in there.	✓									✓						
504	Elle: Really?											✓					
505	Elle: Oh warner, I've waited so long to hear you say that. But if I'm gonna be a partner at a law firm by the time I'm 30..	✓						✓									
506	Elle: : Thank you , boys.																

507	Prof: Ladies and gentlemen I present the graduates of Harvard Law School Class of 2004. I am personally very honored to introduce this year's class-elected speaker. After getting off to a quite interesting start here at Harvard, she graduates today with an invitation to join one of Boston's most prestigious law firms. I'm sure we are going to see great things from her. Ladies and gentlemen, Elle Woods.						✓	✓									
508	Elle: On our very first day at Harvard a very wise professor quoted Aristotle. "The law is reason free from passion." Well, no offense to Aristotle but in my three years at Harvard. I have come to find that passion is a key ingredient to the study and practice of law and of life. It is with passion, courage of conviction and strong sense of self that we take our next steps into the world remembering that first impressions are not always correct you must always have faith in people and most importantly you must always have faith in yourself. Congratulations, Class of 2004. We did it!	✓					✓	✓
