The screenshot shows the EBSCOhost search interface. The search query is "Factors OR determinants OR causes". The search results are displayed under the heading "1. Community Factors and Hospital Readmission Rates." The article is by Herrin, Jeph; St. Andre, Justin; Kenward, Kevin; Joshi, Maulik S.; Audet, Anne-Marie J.; Hines, Stephen C. Health Services Research, Feb 2015, Vol. 50 Issue 1, p20-39. 20p. 2 Charts. DOI: 10.1111/1475-6773.12177. The objective is to examine the relationship between community factors and hospital readmission rates.

The screenshot shows the ScienceDirect search interface. The search query is "Factors OR determinants OR causes AND Hospital Readmission rates". The search results are displayed under the heading "100 results". The first result is "Prognostic value of carbohydrate antigen 125 in patients undergoing surgical left ventricular reconstruction" by Yifeng Nan, Xieraali Tiemuerniyazi, ... Fei Xu. The second result is "Systematic screening for anxiety and depression in cardiac rehabilitation – are we there yet?" by Charlotte Helmark, Alex Harrison, ... Patrick Doherty.

Lampiran 3 Rekomendasi Persetujuan Etik

**SEKOLAH TINGGI ILMU KESEHATAN (STIKES)
NANI HASANUDDIN MAKASSAR**
Jl. Perintis Kemerdekaan VIII No. 24 Telp. (0411) 582104. Fax. (0411) 582104
Email: info@stikesnh.ac.id

REKOMENDASI PESETUJUAN ETIK
Nomor: 098/STIKES-NH/KEPK/XII/2022

Dengan ini menyatakan bahwa protocol dan dokumentasi yang berhubungan dengan protokol berikut ini telah mendapatkan persetujuan Etik.

No Protokol	SK no 674 STIKES-NH/BAU/X/2018	No. Sponsor Protokol	
Peneliti Utama	Zaenal Abidin	Sponsor	Tidak Ada
Judul Penelitian	Fakto-Faktor Yang Mempengaruhi <i>Hospital Readmission Rate</i> Pada Pasien <i>Congestive Heart Failure</i> : <i>A Scoping Review</i>		
No. Versi Protokol		Tanggal Versi	14 Desember 2022
		Tanggal Versi	14 Desember 2022
Tempat	-		
Jenis Review	<input checked="" type="checkbox"/> Exempted <input type="checkbox"/> Expedited <input type="checkbox"/> Fullboard	Masa berlaku sejak terbitnya rekomendasi sampai penelitian berakhir	Frekuensi review lanjut
Ketua Komisi Etik Penelitian	Nama, Dr. Suarnanti, SKM, S.Kep, Ns, M.Kes	Tanda Tangan	Tanggal
Sekretaris Komisi Etik Penelitian	Nama Indah Restika BN, S.Kep, Ns, M.Kep	Tanda Tangan	Tanggal

- a) Menyerahkan Amandemen Protokol Untuk Persetujuan sebelum di implementasikan
- b) Menyerahkan laporan SAI ke komisi Etik 24 jam dan dilengkapi dalam 7 hari dan lapor SUSAR dalam 72 jam setelah peneliti utama menerima laporan
- c) Menyerahkan laporan kemajuan (progress report) setiap 6 bulan untuk penelitian resiko tinggi dan setiap setahun untuk penelitian resiko rendah
- d) Menyerahkan laporan akhir setelah penelitian berakhir
- e) Melaporkan penyimpangan dari protocol yang di setujui (protocol deviation/violation)

Mematuhi semua peraturan yang ditetapkan	No
Document	III-001/STIKES-NH/FRM/KEP
Tanggal	01/01/2019
Revisi	00
