DOKUMENTASI

Seminar Proposal

The screenshot shows a Zoom meeting with a presentation slide titled "Mikroorganisme". The slide features a diagram of the human mouth with various parts labeled, including the tongue, throat, and oral cavity. To the right of the diagram, there is a text box that reads: "Mikroorganisme adalah makhluk berukuran kecil dengan ukuran beberapa mikron, sehingga sulit dilihat dengan mata secara langsung. Mikroorganisme rongga mulut atau mikrobioma oral memiliki peran penting dalam menjaga keseimbangan ekologi rongga mulut." Below this text is a flowchart showing "Kolonisasi Bakteri" leading to "Mikroorganisme Patoghen" and then to "Penyakit Gigi dan Mulut". At the bottom of the slide, there are three small video thumbnails of participants in the meeting.
