## APPENDIXES

### Angel Baby

Source : [Musixmatch](#)

I need a lover to keep me sane  
Pull me from hell, bring me back again  
Play me the classics  
Something romantic  
Give him my all when I don't even have it

I always dreamed of a solemn face  
Someone who feels like a holiday  
But now I'm in pieces  
Barely believing  
Starting to think that I've lost all feeling

You came out the blue on a rainy night  
No lie

I'll tell you how I almost died  
While you're bringing me back to life

I just wanna live in this moment forever  
'Cause I'm afraid that living couldn't get any better  
Started giving up on the word "forever"  
Until you gave up heaven, so we could be together

You're my angel  
Angel baby, angel  
You're my angel, baby  
Baby, you're my angel  
Angel baby

I fall in love with the little things  
Counting the tattoos on your skin

Tell me a secret  
And baby, I'll keep it  
And maybe we could play house for the weekend

You came out the blue on a rainy night  
No lie

I'll tell you how I almost died  
While you're bringing me back to life

I just wanna live in this moment forever  
'Cause I'm afraid that living couldn't get any better

Started giving up on the word "forever"  
Until you gave up heaven, so we could be together

You're my angel  
Angel baby, angel  
You're my angel, baby  
Baby, you're my angel  
Angel baby

All the sick and twisted nights that I've been waiting for ya  
They were worth it all along, yeah

I just wanna live in this moment forever  
'Cause I'm afraid that living couldn't get any better  
Started giving up on the word "forever" (on the word "forever")  
Until you gave up heaven, so we could be together

You're my angel  
Angel baby, angel  
You're my angel, baby  
Baby, you're my angel  
Angel baby

Angel

Angel baby, angel (you're my angel, baby)

You're my angel, baby (you're my angel, baby)

Baby, you're my angel

Angel baby

## Wild

Source : [LyricFind](#)

Trying hard not to fall  
On the way home  
You were trying to wear me down, down  
Kissing up on fences and up on walls  
On the way home  
I guess it's all working out, now  
'Cause there's still too long to the weekend  
Too long till I drown in your hands  
Too long since I've been a fool, oh  
Leave this blue neighbourhood  
Never knew loving could hurt this good, oh  
And it drives me wild  
'Cause when you look like that  
I've never ever wanted to be so bad, oh  
It drives me wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You're driving me wild  
We're alike you and I  
Two blue hearts locked in our wrong minds  
So can we make the most out of no time?  
Can you hold me?  
Can you make me leave my demons and my broken pieces behind?  
'Cause there's still too long to the weekend  
Too long till I drown in your hands  
Too long since I've been a fool, oh, yeah, yeah, yeah

Leave this blue neighbourhood  
Never knew loving could hurt this good, oh  
And it drives me wild  
'Cause when you look like that  
I've never ever wanted to be so bad, oh  
It drives me wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You make my heart shake bend and break  
But I can't turn away  
And it's driving me wild  
You're driving me wild  
You make my heart shake bend and break  
But I can't turn away  
And it's driving me wild  
You're driving me wild  
Leave this blue neighbourhood  
Never knew loving could hurt this good, oh  
And it drives me wild  
'Cause when you look like that  
I've never ever wanted to be so bad, oh  
It drives me wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You're driving me wild, wild, wild  
You're driving me wild

## Bloom

Source : [LyricFind](#)

Take a trip into my garden  
I've got so much to show ya  
The fountains and the waters  
Are begging just to know ya

And it's true, baby  
I've been saving this for you, baby  
I guess it's something like a fun fair  
Put gas into the motor  
And, boy, I'll meet you right there  
We'll ride the rollercoaster

'Cause it's true, baby  
I've been saving this for you, baby

I need you to  
Tell me right before it goes down  
Promise me you'll  
Hold my hand if I get scared now  
Might tell you to  
Take a second, baby, slow it down  
You should know I, you should know I

I bloom just for you  
(I bloom) just for you  
(Yeah, I bloom) I bloom just for you  
(I bloom) just for you  
Come on, baby, play me like a love song  
Every time it comes on  
I get this sweet desire

(Yeah, I bloom) I bloom just for you  
(I bloom) just for you

Now it's the perfect season  
Yeah, let's go for it this time  
We're dancing with the trees and  
I've waited my whole life

It's true, baby  
I've been saving this for you, baby

I need you to  
Tell me right before it goes down  
Promise me you'll  
Hold my hand if I get scared now  
Might tell you to  
Take a second, baby, slow it down  
You should know I, you should know I

I bloom just for you  
(I bloom) just for you  
(Yeah, I bloom) I bloom just for you  
(I bloom) just for you  
Come on, baby, play me like a love song

Every time it comes on  
I get this sweet desire  
(Yeah, I bloom) I bloom just for you  
(I bloom) just for you

Just for you  
I bloom just for you  
I bloom just for you

Baby, baby, I've been saving this for you, baby, baby

I bloom just for you  
(I bloom) just for you  
(Yeah, I bloom) I bloom just for you  
(I bloom) just for you  
Come on, baby, play me like a love song  
Every time it comes on  
I get this sweet desire  
(Yeah, I bloom) I bloom just for you  
(I bloom) just for you

Just for you  
I bloom just for you  
I bloom just for you  
Just for you  
I bloom just for you  
I bloom just for you

## Strawberry & Cigarettes

Source : [LyricFind](#)

Remember when we first met?

You said "light my cigarette"

So I lied to my mom and dad

I jumped the fence and I ran

But we couldn't go very far

'Cause you locked your keys in your car

So you sat and stared at my lips

And I could already feel your kiss

Long nights, daydreams

Sugar and smoke rings, I've been a fool

But strawberries and cigarettes always taste like you

Headlights, on me

Racing to 60, I've been a fool

But strawberries and cigarettes always taste like

Blue eyes, black jeans

Lighters and candy, I've been a fool

But strawberries and cigarettes always taste like you

Remember when you taught me fate

Said it'd all be worth the wait

Like that night in the back of the cab

When your fingers walked in my hand

Next day, nothin' on my phone

But I can still smell you on my clothes

Always hoping things would change

But we went right back to your games

Long nights, daydreams

Sugar and smoke rings, I've been a fool

But strawberries and cigarettes always taste like you  
Headlights, on me  
Racing to 60, I've been a fool  
But strawberries and cigarettes always taste like  
Blue eyes, black jeans  
Lighters and candy, I've been a fool  
But strawberries and cigarettes always taste like you  
And even if I run away  
Give my heart a holiday  
Still strawberries and cigarettes always taste like you  
You always leave me wanting more  
I can't shake my hunger for  
Strawberries and cigarettes always taste like you  
Yeah, they always taste like you  
You  
Long nights, daydreams  
With that sugar and smoke rings  
Always taste like you  
Headlights, on me (and even if I run away)  
Racing to 60, I've been a fool (and give my heart a holiday)  
Still, strawberries and cigarettes always taste like  
Blue eyes, black jeans (you always leave me wanting more)  
Lighters and candy, I've been a fool (I can't shake my hunger for)  
Strawberries and cigarettes always taste like you

## Blue

Source : [LyricFind](#)

Love it's hard, I know  
All your lights are red, but I'm green to go  
Used to see you high, now you're only low  
All your lights are red but I'm green to go

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you

I can't say no  
Though the lights are on  
There's nobody home  
Swore I'd never lose control  
Then I fell in love with a heart that beats so slow

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you

I know you're seeing black and white  
So I'll paint you a clear blue sky  
Without you I am colour-blind  
It's raining every time I open my eyes  
I know you're seeing black and white  
So I'll paint you a clear blue sky  
Without you I am colour-blind  
It's raining every time I open my eyes

I want you  
I'll colour me blue  
Only seeing myself  
When I'm looking up at you  
When I'm looking up at you

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you  
I want you (when I'm looking up at you)

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you

I want you  
I'll colour me blue  
Anything it takes to make you stay  
Only seeing myself  
When I'm looking up at you

## Lost Boy

Source : [Musixmatch](#)

As the smile fell from your face, I fell with it

Our faces blue

There's a heart stain on the carpet

I left it, I left it with you

Yeah, the truth is that I'm sorry

Though I told you not to worry

I'm just some dumb kid

Trying to kid myself

That I got my shit together

So go, get to runnin', won't you hurry?

While it's light out, while it's early

Before I start to miss any part of this

And change my mind, whatever

I say I wanna settle down

Build your hopes up like a tower

I'm giving you the run around

I'm just a lost boy

Not ready to be found

Not ready to be found

I'm just a lost boy

Not ready to be found

I don't care much for locks on the window

To keep me at bay

I'll leave you one last kiss on your pillow

Before I fly away

Yeah we knew from the beginning

That this wasn't never ending

Shouldn't stay too long

Cause we're both too young

To give into forever

I say I wanna settle down

Build your hopes up like a tower

I'm giving you the run around

I'm just a lost boy

Not ready to be found

Not ready to be found

I'm just a lost boy

So what are you waiting for?  
Cause someone could love you more  
I'm just a lost boy, lost boy  
So what are you waiting for?  
Cause someone could love you more  
I'm just a lost boy, lost boy  
So what are you waiting for?  
Cause someone could love you more  
I'm just a lost boy, lost boy  
So what are you waiting for?  
Cause someone could love you more  
I'm just a lost boy, lost boy

I say I wanna settle down  
Build your hopes up like a tower  
I'm giving you the run around  
I'm just a lost boy  
Not ready to be found  
Not ready to be found  
I'm just a lost boy  
Not ready to be found
