## **APPENDIX**

### **YELLOW**

Look at the stars  
Look how they shine for you

And everything you do

Yeah, they were all yellow

I came along

I wrote a song for you  
And all the things you do

And it was called Yellow

So then I took my turn  
Oh, what a thing to have done  
And it was all yellow

Your skin, oh yeah, your skin and bones  
Turn into something beautiful  
And you know, you know I love you so

You know I love you so

I swam across  
I jumped across for you  
Oh, what a thing to do  
'Cause you were all yellow

I drew a line  
I drew a line for you  
Oh, what a thing to do  
And it was all yellow

And your skin, oh yeah, your skin and bones  
Turn into something beautiful  
And you know, for you, I'd bleed myself dry  
For you, I'd bleed myself dry

It's true

Look how they shine for you

Look how they shine for you

Look how they shine for

Look how they shine for you

Look how they shine for you

Look how they shine

Look at the stars

Look how they shine for you

And all the things that you do

## US AGAINST THE WORLD

Oh, morning  
Come bursting  
The clouds amen  
Lift off this blindfold, let me see again  
Bring back the water that your ships roll in  
In my heart she left a hole

The tightrope that I'm walking just sways and ties  
The devil as he's talking with those angel's eyes  
And I just want to be there when the lightning strikes  
And the saints go marching in

And sing  
Slow it down

Through chaos as it swirls  
It's us against the world

Like a river to a raindrop  
I lost a friend  
My drunken hazard Daniel in a lion's den  
And tonight I know it all has to begin again  
So whatever you do, don't let go

And if we could float away  
Fly up to the surface  
And just start again  
Lift off before trouble  
Just erodes us in the rain  
Just erodes us in the rain  
Just erodes us  
And see roses in the rain, saying

Slow it down

Slow it down

Through chaos as it swirls  
It's us against the world

## THE SCIENTIST

Come up to meet you, tell you I'm sorry  
You don't know how lovely you are  
I had to find you, tell you I need you  
Tell you I set you apart

Tell me your secrets and ask me your questions  
Oh, let's go back to the start  
Running in circles, coming up tails  
Heads on a science apart

Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh, take me back to the start

I was just guessing at numbers and figures  
Pulling the puzzles apart  
Questions of science, science and progress  
Do not speak as loud as my heart  
But tell me you love me, come back and haunt me  
Oh and I rush to the start

Running in circles, chasing our tails  
Coming back as we are

Nobody said it was easy  
Oh, it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start

## FIX YOU

When you try your best, but you don't succeed  
When you get what you want, but not what you need  
When you feel so tired, but you can't sleep  
Stuck in reverse

And the tears come streaming down your face  
When you lose something you can't replace  
When you love someone, but it goes to waste  
Could it be worse?

Lights will guide you home  
And ignite your bones  
And I will try to fix you

And high up above, or down below  
When you're too in love to let it go  
But if you never try, you'll never know  
Just what you're worth

Lights will guide you home  
And ignite your bones  
And I will try to fix you

Tears stream down your face  
When you lose something you cannot replace  
Tears stream down your face, and I

Tears stream down your face  
I promise you I will learn from my mistakes  
Tears stream down your face, and I

Lights will guide you home  
And ignite your bones  
And I will try to fix you

## UP & UP

Fixing up a car to drive in it again  
Searching for the water hoping for the rain  
Up and up, up and up  
Down upon the canvas, working meal to meal  
Waiting for a chance to pick your orange field  
Up and up, up and up

See a pearl form, a diamond in the rough  
See a bird soaring high above the flood  
It's in your blood, it's in your blood  
Underneath the storm an umbrella is saying  
"Sitting with the poison takes away the pain"  
Up and up, up and up it's saying

We're gonna get it, get it together, I know  
I'm gonna get it, get it together somehow  
We're gonna get it, get it together and flower  
Woah, oh-oh-oh-oh-oh  
We're gonna get it, get it together I know  
We're gonna get it, get it together and flow  
I'm gonna get it, get it together and go  
Up and up and up

Lying in the gutter, aiming for the moon  
Trying to empty out the ocean with a spoon  
Up and up, up and up  
How come people suffer, how come people part?  
How come people struggle, how come people break your heart?  
Break your heart, oh-oh

Yes I want to grow, yes I want to feel  
Yes I want to know, show me how to heal it up  
Heal it up  
See the forest there in every seed  
Angels in the marble waiting to be freed  
Just need love just need love  
When the going is rough, saying

We're gonna get it, get it together, I know  
I'm gonna get it, get it together somehow

We're gonna get it, get it together and flower

Woah, oh-oh-oh-oh-oh

We're gonna get it, get it together I know

We're gonna get it, get it together and flow

I'm gonna get it, get it together and go

And you can say what is, or fight for it

Close your mind or take a risk

You can say it's mine and clench your fist

Or see each sunrise as a gift

We're gonna get it, get it together, I know

I'm gonna get it, get it together somehow

We're gonna get it, get it together and flower

Woah, oh-oh-oh-oh-oh

We're gonna get it, get it together I know

We're gonna get it, get it together and flow

I'm gonna get it, get it together and go

Up and up and up

We're gonna get it, get it together, I know

I'm gonna get it, get it together somehow

We're gonna get it, get it together and flower

Woah, oh-oh-oh-oh-oh

We're gonna get it, get it together I know

We're gonna get it, get it together and flow

I'm gonna get it, get it together and go

Up and up and up

Oh-oh-oh

Oh-oh-oh

Oh-oh-oh

Oh-oh-oh

Fixing up a car to drive in it again

When you're in pain

When you think you've had enough

Don't ever give up

Don't ever give up

## VIVA LA VIDA

I used to rule the world  
Seas would rise when I gave the word

I used to roll the dice  
Feel the fear in my enemy's eyes  
Listen as the crowd would sing  
Now the old king is dead, long live the king  
One minute, I held the key  
Next the walls were closed on me  
And I discovered that my castles stand  
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a-ringin'  
Roman Cavalry choirs are singin'  
Be my mirror, my sword and shield  
My missionaries in a foreign field  
For some reason, I can't explain  
Once you'd gone, there was never, never an honest word  
And that was when I ruled the world

It was a wicked and wild wind  
Blew down the doors to let me in  
Shattered windows and the sound of drums  
People couldn't believe what I'd become  
Revolutionaries wait  
For my head on a silver plate  
Just a puppet on a lonely string  
Aw, who would ever wanna be king?

I hear Jerusalem bells a-ringin'  
Roman Cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field  
For some reason, I can't explain  
I know Saint Peter won't call my name  
Never an honest word  
But that was when I ruled the world

Oh-oh-oh, oh-oh, oh  
Oh-oh-oh, oh-oh, oh

Oh-oh-oh, oh-oh, oh  
Oh-oh-oh, oh-oh, oh  
Oh-oh-oh, oh-oh, oh

I hear Jerusalem bells a-ringin'  
Roman Cavalry choirs are singin'  
Be my mirror, my sword and shield  
My missionaries in a foreign field  
For some reason I can't explain  
I know Saint Peter won't call my name  
Never an honest word  
But that was when I ruled the world

### **EVERGLOW**

Oh, they say people come, say people go  
This particular diamond was extra special  
And though you might be gone, and the world may not know  
Still I see you, celestial  
Like a lion you ran, goddess you rolled  
Like an eagle you circled, in perfect purple  
So how come things move on? How come cars don't slow  
When it feels like the end of my world?  
When I should but I can't let you go?  
But when I'm cold, I'm cold  
When I'm cold, cold  
There's a light that you give me when I'm in shadow  
There's a feelin' within me, an everglow  
Like brothers in blood or sisters who ride  
When we swore, on that night, we'd be friends 'til we die  
But the changin' of winds and the way waters flow  
Life is short as the fallin' of snow  
And now I'm gonna miss you, I know  
But when I'm cold, I'm cold  
In water-rolled salt  
And I know that you're with me, and the way you will show  
And you're with me wherever I go  
But you give this feelin', this everglow  
Oh-oooh  
Oh, what I'd give for just a moment to hold  
Yeah, I live for this feelin', this everglow
