## APPENDICES

### 1. R U Mine?

[Verse 1]

I'm a puppet on a string  
Tracy Island, time-traveling  
Diamond cutter-shaped heartaches  
That come to find you four in some velvet morning  
Years too late, she's a silver lining  
Lone ranger riding through an open space  
In my mind when she's not right there beside me

[Chorus]

I go crazy 'cause here isn't where I wanna be  
And satisfaction feels like a distant memory  
And I can't help myself, all I  
Wanna hear her say is "Are you mine?"  
Well, are you mine?  
Are you mine?  
Are you mine? Oh, ah

[Verse 2]

I guess what I'm trying to say is I need the deep end  
Keep imagining meeting, wished away entire lifetimes  
Unfair we're not somewhere misbehaving for days  
Great escape, lost track of time and space  
She's a silver lining climbing on my desire

[Chorus]

And I go crazy 'cause here isn't where I wanna be  
And satisfaction feels like a distant memory  
And I can't help myself, all I  
Wanna hear her say is "Are you mine?"  
Well, are you mine? (Are you mine tomorrow?)  
Are you mine? (Or just mine tonight?)  
Are you mine? (Are you mine, mine?)

[Bridge]

And the thrill of the chase moves in mysterious ways  
So in case I'm mistaken, I  
Just wanna hear you say, "You got me, baby, are you mine?"

[Pre-Chorus]

She's a silver lining  
Lone ranger riding through an open space  
In my mind when she's not right there beside me

[Chorus]

I go crazy 'cause here isn't where I wanna be  
And satisfaction feels like a distant memory  
And I can't help myself, all I  
Wanna hear her say is "Are you mine?"  
Well, are you mine? (Are you mine tomorrow?)  
Are you mine? (Or just mine tonight?)

Are you mine? (Are you mine tomorrow?)

(Or just mine tonight?)

## 2. Do I Wanna Know?

[Verse 1]

Have you got colour in your cheeks?

Do you ever get that fear that you can't shift the type

That sticks around like summat in your teeth?

Are there some aces up your sleeve?

Have you no idea that you're in deep?

I've dreamt about you nearly every night this week

How many secrets can you keep?

'Cause there's this tune I found

That makes me think of you somehow an' I play it on repeat

Until I fall asleep, spillin' drinks on my settee

[Pre-Chorus]

(Do I wanna know?) If this feelin' flows both ways?

(Sad to see you go) Was sorta hopin' that you'd stay

(Baby, we both know) That the nights were mainly made

For sayin' things that you can't say tomorrow day

[Chorus]

Crawlin' back to you

Ever thought of callin' when

You've had a few?

'Cause I always do

Maybe I'm too

Busy bein' yours

To fall for somebody new

Now, I've thought it through

Crawlin' back to you

[Verse 2]

So have you got the guts?

Been wonderin' if your heart's still open

And if so, I wanna know what time it shuts

Simmer down an' pucker up, I'm sorry to interrupt

It's just I'm constantly on the cusp of tryin' to kiss you

But I don't know if you feel the same as I do

But we could be together if you wanted to

[Pre-Chorus]

(Do I wanna know?) If this feelin' flows both ways?

(Sad to see you go) Was sorta hopin' that you'd stay

(Baby, we both know) That the nights were mainly made

For sayin' things that you can't say tomorrow day

[Chorus]

Crawlin' back to you (Crawlin' back to you)

Ever thought of callin' when

You've had a few? (Had a few)

'Cause I always do ('Cause I always do)

Maybe I'm too (Maybe I'm too busy)

Busy bein' yours (Bein' yours)

To fall for somebody new

Now, I've thought it through

Crawlin' back to you

[Outro]

(Do I wanna know?) If this feelin' flows both ways?

(Sad to see you go) Was sorta hopin' that you'd stay

(Baby, we both know) That the nights were mainly made

For sayin' things that you can't say tomorrow day  
(Do I wanna know?) Too busy bein' yours to fall  
(Sad to see you go) Ever thought of callin', darlin'?  
(Do I wanna know?) Do you want me crawlin' back to you?

### 3. I Wanna Be Yours

[Verse 1]

I wanna be your vacuum cleaner  
Breathin' in your dust  
I wanna be your Ford Cortina  
I will never rust  
If you like your coffee hot  
Let me be your coffee pot  
You call the shots, babe  
I just wanna be yours

[Pre-Chorus]

Secrets I have held in my heart  
Are harder to hide than I thought  
Maybe I just wanna be yours

[Chorus]

I wanna be yours  
I wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours

[Verse 2]

Let me be your 'leccy meter  
An' I'll never run out

Let me be the portable heater  
That you'll get cold without  
I wanna be your setting lotion (Wanna be)  
Hold your hair in deep devotion (How deep?)  
At least as deep as the Pacific Ocean  
I wanna be yours

[Pre-Chorus]

Secrets I have held in my heart  
Are harder to hide than I thought  
Maybe I just wanna be yours

[Chorus]

I wanna be yours  
I wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours  
Wanna be yours

[Outro]

I wanna be your vacuum cleaner (Wanna be yours)  
Breathin' in your dust (Wanna be yours)  
I wanna be your Ford Cortina (Wanna be yours)  
I will never rust (Wanna be yours)  
I just wanna be yours (Wanna be yours)  
I just wanna be yours (Wanna be yours)  
I just wanna be yours (Wanna be yours)

#### 4. Why'd You Only Call Me When You're High?

[Verse 1]

The mirror's image tells me it's home time  
But I'm not finished, 'cause you're not by my side  
And as I arrived I thought I saw you leavin'  
Carryin' your shoes  
Decided that once again I was just dreamin'  
Of bumpin' into you

[Chorus]

Now, it's three in the mornin'  
And I'm tryna' change your mind  
Left you multiple missed calls  
And to my message, you reply  
"Why'd you only call me when you're high?"  
"Hi, why'd you only call me when you're high?"

[Verse 2]

Somewhere darker, talkin' the same shite  
I need a partner, (High) well are you out tonight?  
It's harder and harder to get you to listen  
More I get through the gears  
Incapable of makin' alright decisions  
And having bad ideas

[Chorus]

Now, it's three in the mornin'  
And I'm tryna' change your mind  
Left you multiple missed calls  
And to my message, you reply (Message, you reply)  
"Why'd you only call me when you're high?"

(Why'd you only call me when you're)  
"Hi, why'd you only call me when you're high?"

[Bridge]

And I can't see you here, wonder where I might  
It sort of feels like I'm runnin' out of time  
I haven't found all I was hopin' to find  
You said you got to be up in the mornin'  
Gonna have an early night  
And you're startin' to bore me, baby  
"Why'd you only call me when you're high?"

[Outro]

"Why'd you only ever phone me when you're high?"  
"Why'd you only ever phone me when you're high?"  
"Why'd you only ever phone me when you're high?"  
"Why'd you only ever phone me when you're (high)?"

5. 505

[Chorus]

I'm going back to 505  
If it's a seven hour flight or a forty-five minute drive  
In my imagination, you're waitin' lyin' on your side  
With your hands between your thighs

[Verse]

Stop and wait a sec  
And when you look at me like that, my darlin'  
What did you expect?  
I'd probably still adore you  
With your hands around my neck  
Or I did last time I checked

Not shy of a spark  
The knife twists at the thought  
That I should fall short of the mark  
Frightened by the bite, though  
It's no harsher than the bark  
The middle of adventure  
Such a perfect place to start

[Chorus]

I'm going back to 505  
If it's a seven hour flight or a forty-five minute drive  
In my imagination, you're waitin' lyin' on your side  
With your hands between your thighs

[Bridge]

But I crumble completely when you cry  
It seems like once again you've had to greet me with goodbye  
I'm always just about to go and spoil the surprise  
Take my hands off of your eyes too soon

[Chorus]

I'm going back to 505  
If it's a seven hour flight or a forty-five minute drive  
In my imagination, you're waitin' lyin' on your side  
With your hands between your thighs and a smile

## 6. Knee Socks

[Verse 1]

You got the lights on in the afternoon  
An' the nights are drawn out long  
And you're kissin' to cut through the gloom  
With a cough drop coloured tongue

And you were sittin' in the corner with the coats all piled high

And I thought you might be mine

In a small world on an exceptionally rainy Tuesday night

In the right place and time

[Chorus]

When the zeros line up on the 24-hour clock

When you know who's callin' even though the number is blocked

When you walked around your house wearin' my sky blue Lacoste

And your knee socks

[Verse 2]

Well, you cured my January blues

Yeah, you made it all alright

I got a feelin' I might have lit the very fuse

That you were tryin' not to light

You were a stranger in my phonebook I was actin' like I knew

'Cause I had nothin' to lose

When the winter's in full swing and your dreams just aren't comin' true

Ain't it funny what you'll do?

[Chorus]

When the zeros line up on the 24-hour clock

When you know who's callin' even though the number is blocked

When you walked around your house wearin' my sky blue Lacoste

And your knee socks

[Post-Chorus]

The late afternoon, the ghost in your room

That you always thought didn't approve of you knockin' boots

Never stopped you lettin' me get hold of the sweet spot

By the scruff of your knee socks

[Bridge: Alex Turner & Josh Homme]

You and me could have been a team

Each had a half of a king and queen seat

Like the beginning of Mean Streets  
You could be my baby (Could be my baby)

You and me could have been a team  
Each had a half of a king and queen suite

Like the beginning of Mean Streets  
You could be my baby (Could be my baby)

All the zeros lined up

You and me could have been a team  
Each had a half of a king and queen suite

Like the beginning of Mean Streets  
You could be my baby (Could be my baby)

But the number's blocked

You and me could have been a team  
Each had a half of a king and queen suite

When you've come undone

Like the beginning of Mean Streets  
You could be my baby (Could be my baby)

[Chorus]

When the zeros line up on the 24-hour clock

When you know who's callin' even though the number is blocked  
When you walked around your house wearin' my sky blue Lacoste

And your knee socks

When the zeros line up on the 24-hour clock

When you know who's callin' even though the number is blocked  
When you walked around your house wearin' my sky blue Lacoste

And your knee socks

[Outro]

Knee socks

Knee socks
