#### 1. Stitches

I thought that I've been hurt before  
But no one's ever left me quite this sore  
Your words cut deeper than a knife  
Now I need someone to breathe me back to life

Got a feeling that I'm going under  
But I know that I'll make it out alive  
If I quit calling you my lover  
Move on

You watch me bleed until I can't breathe  
I'm shaking falling onto my knees  
And now that I'm without your kisses  
I'll be needing stitches  
I'm tripping over myself  
Aching begging you to come help  
And now that I'm without your kisses  
I'll be needing stitches

Just like a moth drawn to a flame  
Oh you lured me in I couldn't sense the pain  
Your bitter heart cold to the touch  
Now I'm gonna reap what I sow  
I'm left seeing red on my own

Got a feeling that I'm going under  
But I know that I'll make it out alive  
alling you my lover

h me bleed until I can't breathe

I'm shaking falling onto my knees  
And now that I'm without your kisses

1, 2, 3, 4  
Whoa, oh oh oh oh whoa oh oh oh oh oh oh  
Whoa oh oh oh oh whoa oh oh oh oh oh oh

Play the lotto you might win it.  
It's like 25 for life so you bust out of prison.

Something's in the air, something's in the air

It's like that feeling when you're just about to kill it,  
Take your last shot you know you're gonna hit it.

Somethings in the air, somethings in the air

Whoa oh oh oh oh

Something big I feel it happening  
Out of my control  
Push and pull and then it's grabbing me,  
Feel it in my bones like

Whoa oh oh oh oh whoa oh oh oh oh oh oh  
Whoa oh oh oh oh whoa  
Something big I feel it happening  
Oh whoa oh oh oh whoa oh oh oh oh oh oh  
Whoa oh oh oh oh oh whoa  
Something big

That feeling when you're 'bout to win the medal,  
Worked so hard that you knew you wouldn't settle,  
Hands in the air, hands are in the air.

When they hear you when you thought they wouldn't listen,  
It's like an anthem that the whole worlds singing,

Hands are in the air, hands are in the air.

Whoa oh oh oh oh

Something big I feel it happening  
Out of my control,

If we clap our hands, the walls will break  
Yell so loud we forget our names  
'Cause something big is happening

Take this rock and start a fire  
Raise this up, we're feeling high  
They can't tell us anything  
'Cause something big is happening

Something big I feel it happening  
y control

### 3. Never Be Alone

I promise that one day I'll be around  
I'll keep you safe  
I'll keep you sound

Right now it's pretty crazy  
And I don't know how to stop  
Or slow it down

Hey  
I know there are some things we need to talk about  
And I can't stay  
Just let me hold you for a little longer now

Take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone

You'll never be alone  
When you miss me close your eyes  
I may be far but never gone

When you fall asleep tonight  
Remember that we lay under the same stars

There are some things we need to talk about

And I can't stay  
Just let me hold you for a little longer now

And take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone  
You'll never be alone  
You'll never be alone  
You'll never be alone  
You'll never be alone

And take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone

#### 4. Aftertaste

Re-rewind Friday night, never forget it  
How you let me go  
No more lies, I'll be fine, know where I'm headed  
Probably should've known

And now you're gonna say, pretty, please forgive me, yeah  
Fool me once, told you twice you're gonna regret it  
Now you're all alone, yeah

Turns out that no one can replace me  
I'm permanent, you can't erase me  
I'll help you remember me  
One more kiss is all it takes, sing it out

you with the memory  
aftertaste  
your eyes, you can't hide, try to forget me  
everywhere

I'm the smell on your sheets, you weren't ready  
When you left me there

And now you're gonna say, pretty, please forgive me, yeah, yeah  
Bet it hurts, it gets worse, you know nobody  
Said it would be fair, oh, yeah

Turns out that no one can replace me  
I'm permanent, you can't erase me  
I'll help you remember me  
One more kiss is all it takes  
I'll leave you with the memory  
And the aftertaste

And now there's something in your way  
'Cause you threw it all to waste  
And you wonder if you could take back what you did that day  
And it hurts, 'cause

Truth is that no one can replace me  
I'm permanent, you can't erase me  
I'll help you remember me, sing it out  
One more kiss is all it takes  
I'll leave you with the memory  
And the aftertaste  
Thank you

## 5. Kid in Love

And I know that we just met  
And maybe this is dumb  
But it feels like there was something  
From the moment that we touched  
'Cause, it's alright, it's alright  
I made you mine

you're lightin' up the room  
in the corner of my eye  
and you sneak out the back door

We don't have to say goodbye  
'Cause, it's alright, it's alright  
To waste time tonight

Maybe I'm just a kid in love  
Maybe I'm just a kid in love  
Oh, baby  
If this is what it's like falling in love  
Then I don't ever wanna grow up  
Maybe I'm just a kid in love  
Maybe I'm just a kid in love  
Oh, baby  
It'd be cool if it's the two of us  
But I don't ever wanna grow up

'Cause I got it all  
Oh  
And I got it all  
But I don't ever wanna grow up

Said, your place is kinda cozy  
Your 'rents are out of town  
Baby, there's no pressure  
But if you're down, I'm down  
'Cause, it's alright, it's alright  
Just start tonight

If you're feeling kinda crazy  
Turn down the lights  
We can take our time  
Do whatever you like  
It's alright, it's alright  
I wanna make you mine

n just a kid in love  
n just a kid in love

If this is what it's like falling in love  
Then I don't ever wanna grow up  
Maybe I'm just a kid in love  
Maybe I'm just a kid in love  
Oh, baby  
It'd be fine if it's the two of us  
But I don't ever wanna grow up

'Cause I got it all  
Oh  
And I got it all  
And I don't ever wanna grow up

'Cause I got it all  
Oh  
And I got it all  
But I don't ever wanna grow up

You make me feel like I got it all, yeah  
And you make me feel like I'm just a kid in love  
And you make me feel like I got it all  
And you make me feel like I don't ever wanna grow up

Maybe we're just kids in love  
Maybe we're just kids in love  
Oh baby  
If this is what it's like falling in love  
Then we don't ever have to grow up  
Maybe we're just kids in love  
Maybe we're just kids in love  
Oh baby  
When we're alone and it's the two of us  
I can't get enough

all, yeah  
all, yeah  
got it, and I've got it all

And I've got it, and we've got it all  
And I've got it, and I've got it all  
But I don't ever wanna grow up, ooh yeah
