Observation Date: 22/09/2023

Lesson: Simple Past Tense and Present Perfect Tense

Time: 7:30 – 12:00

<p>Setting of the observation site:</p> <p>The class was held at the language studio. With two air conditioners, the room was quite cozy. It came with a white board, and a TV. The participants were all seated on the chairs. The table rows layout was employed in this class, with the lecturer in the center position.</p>	<p>Purpose:</p> <p>(1) To Observe and reflect on students' negative attitude behavior, which may be impeding their willingness to build their OEC in the BE classroom. (2) To observe and reflect on students' perceptions of what they need to do to decrease the barriers to developing OEC in the BE classroom. (3) To monitor and reflect on students' poor performance in the BE classroom, which may hamper their capacity to build their OEC. (4) To watch and reflect on students' conduct in order to eliminate the variables that are hindering their potential to acquire OEC in the BE classroom. (5) To monitor and reflect on students' low frequency conduct in order to establish OEC in the BE classroom. (6) To watch and reflect on the students' behavior in order to eliminate the causes that cause them to have a low frequency of developing OEC in the BE classroom.</p>

APPENDIX C3. INTERVIEW TRANSCRIPTION

GARIS	DATA PI-3A-L1
1	J: Halo
2	B: Hai kak
3	A : Bolehkah anda memperkenalkan diri anda terlebih dahulu? Mulai dari
4	nama, golongan, suku dan alamat
5	B : Mmm nama saya..dari kelas 2A D4 Administrasi Bisnis, alamat eee
6	perumahan tamalanrea mas blok M1 nomor 17, eee suku saya suku bugis
7	A: Bisakah kita mulai wawancaranya sekarang?
8	B: Tentu saja kak
9	A: Pertanyaan pertama saya adalah ketika dosen meminta Anda
10	berinteraksi menggunakan bahasa Inggris lisan (OEC) selama kegiatan di
11	kelas bahasa Inggris percakapan (ESC), menurut Anda berapa tingkat
12	frekuensi berinteraksi menggunakan bahasa Inggris lisan (OEC)?
13	Frekuensi tinggi, sedang atau rendah?
14	B: Eee... menurutku eee aku berada di level rendah
15	J: Ya, tadi kamu bilang kamu rendah. Faktor penghambat apa saja yang
16	anda alami ketika berinteraksi atau berhubungan di kelas dengan
17	menggunakan bahasa inggris?
18	B : Eee... karena faktor yang mempengaruhinya seperti kurang percaya
19	diri dan enggan berbicara eee karena takut salah.
20	A: Apakah ada faktor lain yang menghambat anda ketika berinteraksi di
21	kelas?
22	B: Eee...
23	A: Ketika Anda ditugaskan pada kegiatan pembelajaran di ESC, faktor
24	apa yang menurut Anda membuat Anda tidak dapat melakukan interaksi
25	OEC? Menurut Anda, apakah kurangnya kemampuan Anda dalam
26	menggunakan ekspresi bahasa menjadi salah satu faktor yang membuat
27	Anda tidak dapat melakukan interaksi OEC? Jika ya, jelaskan alasannya
28	dan berikan contohnya.
29	B: Ya... Saya ingat saya kesulitan melakukan interaksi OEC saat
30	mengikuti diskusi kelompok karena saya tidak mampu menyampaikan
31	ide-ide saya. Saya tidak tahu ekspresi bahasanya. Saya terdiam selama
32	kegiatan presentasi perkuliahan karena tidak mampu menyampaikan
33	pesan dengan sopan dalam bertanya dan memberikan informasi kepada
34	dosen
35	A: Ketika Anda ditugaskan untuk melakukan kegiatan pembelajaran di
36	ESC (English Speaking Classroom), apakah menurut Anda kurangnya
37	kemampuan Anda dalam mengembangkan dan mengorganisasikan ide
38	menjadi salah satu faktor yang membuat Anda sulit melakukan interaksi
39	OEC? Jika ya, jelaskan alasannya dan berikan contohnya.

	B: Ya, saya merasa, saya kurang efektif dalam memimpin diskusi kelompok karena saya tidak tahu cara mengatur dan mengembangkan ide-ide saya. Permasalahan tersebut terjadi karena pada mata pelajaran sebelumnya kami belum diajarkan cara memimpin dan menyampaikan presentasi
40	A: Ketika Anda ditugaskan untuk melakukan kegiatan pembelajaran ESC, apakah menurut Anda kurangnya kosakata Anda menjadi salah satu faktor yang membuat Anda sulit melakukan interaksi ESC dalam kegiatan tersebut? Jika ya, jelaskan alasannya.
41	B: Ya. Saya hanya diam dalam diskusi kelompok.
42	A: Ketika Anda ditugaskan untuk melakukan kegiatan pembelajaran di ESC, apakah menurut Anda kurangnya pengetahuan tata bahasa Anda menjadi salah satu faktor yang membuat Anda sulit berinteraksi dalam kegiatan pembelajaran? Jika Anda menjawab ya, mohon jelaskan mengapa hal ini terjadi.
43	B: Tidak, saya tidak bisa.
44	A: Bagaimana dengan pengucapannya?
45	B : Kurang lancar kak
46	A: Lalu saya ingin bertanya lagi, apakah ada faktor yang menghambat Anda ketika disuruh berinteraksi menggunakan komunikasi lisan bahasa Inggris yang tidak berhubungan dengan kurangnya kemampuan bahasa Inggris Anda? Saya juga melihat Anda takut dan malu saat diskusi kelompok. Faktor apa yang menyebabkan Anda merasa seperti itu?
47	B: Faktor apa saja?
48	A: Mohon diingat, ketika Anda diminta untuk memberikan tugas kegiatan pembelajaran, apakah menurut Anda cara dosen mengoreksi kesalahan Anda menjadi salah satu faktor penghambat Anda dalam mengembangkan OEC Anda? Jika ya, jelaskan alasannya
49	B: Ya bagi saya, cara dosen mengoreksi kesalahan mahasiswa adalah salah satu faktor yang mengurangi keinginan saya untuk menggunakan OEC. Misalnya ketika saya sedang menyampaikan tugas, terkadang saya merasa feedback dari dosen kurang ramah untuk memperbaiki kesalahan saya... sehingga mengurungkan niat saya untuk berlatih menggunakan OEC dalam kegiatan pembelajaran. Saat melakukan role play, saya merasa terhina dan malu karena dosen langsung mengambil kesalahan saya sebagai contoh kalimat yang salah di depan kelas. Hal ini membuat saya kehilangan motivasi untuk belajar dan berlatih OEC
50	A: Ketika Anda ditugaskan untuk melakukan kegiatan pembelajaran di ESC, apakah menurut Anda kurangnya pengakuan dosen terhadap kemampuan Anda menjadi salah satu faktor yang menghambat Anda dalam mengembangkan kompetensi OEC di ESC? Jika ya, jelaskan alasannya

	B: Ya, saya ingat dosen memberi tugas kepada kami untuk membuat presentasi individu tentang Simple Past dan Present Perfect. Dosen tidak mempertimbangkan kemampuan kami dalam melakukan presentasi dalam bahasa Inggris. Saya tidak dapat mengatur ide-ide saya. Saat dosen meminta kami menggunakan OEC dalam kegiatan diskusi, saya hanya menggunakan bahasa Indonesia. Saya merasa dosen kurang memahami kondisi kami sehingga kami kekurangan ekspresi bahasa untuk melakukan diskusi. Bahkan membuat saya enggan mengikuti kegiatan pembelajaran.
82	A: Bagaimana dengan faktor rasa malu untuk berbicara di depan kelas atau di depan dosen, apakah itu juga menjadi faktor yang menghalangi anda untuk berinteraksi menggunakan bahasa Inggris di ESC.
83	B : Iya juga kak
84	A: Mohon diingat ketika Anda diminta melakukan OEC dalam kegiatan ESP, apakah menurut Anda gaya dosen Anda yang bergantung pada teks menjadi salah satu faktor yang membuat Anda enggan melakukan interaksi OEC?
85	B : Iya kak
86	A: Perlu diingat, ketika Anda ditugaskan untuk melakukan interaksi OEC dalam kegiatan pembelajaran, apakah menurut Anda rasa khawatir akan kehilangan muka menjadi salah satu faktor yang menghambat Anda melakukan interaksi selama kegiatan ESC? Jika ya, mohon jelaskan alasannya
87	B: Ya...ketika saya dan teman saya sedang menyampaikan Role-Play di depan kelas, saya kurang persiapannya. Saya benar-benar merasa takut melakukan kesalahan dan kehilangan muka di depan banyak orang.
88	A: Harap diingat ketika Anda ditugaskan untuk melakukan interaksi OEC di ESC, apakah menurut Anda pertimbangan siswa lain merupakan salah satu faktor yang menghambat Anda untuk melakukan interaksi OEC selama kegiatan pembelajaran? Kalau iya tolong jelaskan alasannya

127	A: Harap diingat ketika Anda ditugaskan untuk melakukan interaksi OEC, faktor apa lagi yang menurut Anda menghambat pelaksanaan interaksi tersebut? Apakah karena aspek faktor personal dan afektif?
128	B: Ya, saya setuju. Saya merasa cemas ketika dosen mewajibkan seluruh mahasiswa menggunakan OEC untuk berpartisipasi dalam diskusi kelompok. karena saya merasa siswa lain akan melakukannya menertawakanku ketika melakukan kesalahan. Do you think your lack of ability to use language expression is one of the factors make you unable to perform OEC interactions. If yes, please explain why and give example.</p> <p>B: Yes... I remember I had difficulty to perform OEC interactions when participating group discussion because I am not able to convey my ideas. I don't know the language expressions. I remained silent during the lecturing presentation activity because was not able to express message politely to ask and provide information to the lecturer (IP3A-L1, FLF 1)</p>
		FLK/D OI 1		<p>A: When you were assigned to perform the learning activities in the ESC (English Speaking Classroom), do you think your lack of ability in developing and organizing ideas was one of the factors made you difficult to perform OEC interactions? If yes, please explain why and give examples.</p> <p>B: Yes, I felt, I did not effectively lead the group discussion effectively because I don't know how to organize and develop my ideas. The problem occurred because we were never taught how to lead and deliver a presentation yet in the previous subjects (IP3A-L1, FLK/DOI 1)</p>

	FV 1		A: When you are assigned to do ESC learning activities, do you think that your lack of vocabulary is one of the factors that make it difficult for you to do ESC interactions in these activities? If yes, please explain why. B: Yes. I just silent in the group discussions. (IP3A-L1, FV 1)
	FGR 1	FSS 2	A: When you were assigned to conduct learning activities at ESC, do you think that your lack of grammar knowledge was one of the factors that made it difficult for you to interact in learning activities? If you answered yes, please explain why this is the case. B: No, I can't. (IP3A-L1, FGR 1)
	FP 1		A: What about pronunciation? B: Yes, I think my poor pronunciation was one of the factors hindered me when the lecturer asked the class to perform OECI deliver the Individual presentation and the role play activities. I have to admit that I am not good at my pronunciation. For me, it is too hard for me to distinguish the pronunciation (IP3A-L1, FP 1)
FNL	FMT 1	LET 2	A: Please remember when you were asked to assign the learning activities, do you think the lecturer's way of correcting your mistakes was one of the factors impeding you to develop your OEC? If yes, please explain why B: Yes for me, the lecture's way of correcting students' mistake was one of the factors reduced my willingness to use OEC. For example, when I delivered my work, sometimes, I felt that the lecturer's feedback was not friendly to correct my mistake... so it discouraged me to practice using OEC in the learning activities.

			When doing the role play, I felt humiliated and ashamed because the lecturer directly picked my mistakes as an example of incorrect sentences in front of the class. It made me demotivated to learn and practice OEC (IP3A-L1, FMT 1, LET 2)
		LOA 2	A: When you are assigned to do learning activities in ESC, do you think the lack of recognition from lecturers of your abilities is one of the factors that hinder you from developing your OEC competence in ESC? If yes, please explain why B: Yes, I remember that the lecturer gave us a task to make a individual presentation about describing object. The lecturer did not consider our ability to make a presentation in English. I was not able to organize my ideas. When the lecture asked us to use OEC in the discussion activity, I just used Indonesian language. I felt that the lecturer did not understand our condition that we were lack language expressions to perform discussion. It even made me unwilling to participate in the learning activity (IP3A-L1, FMT 1, LOA 2)
		TDTS 2	A: Please remember when you were asked to do OEC in ESP activities, do you think the text-dependent style of your lecturer was one of the factors that made you reluctant to do OEC interactions? B: Yes sis (IP3A-L3, FMT 1, TDTS 2)
	SCF 1	CONL F 3	A: Please remember when you were assigned to perform OEC interactions in the learning activities, do you think the feeling concern about losing face was one of the factors impeding you to perform the interaction during the ESC activities? If yes, please explain why

			B: Yes...when I delivered an individual presentation in front of the class, I did not have sufficient preparation. I really felt afraid of making mistakes and losing face in front of many people. (IP3A-L3, SCF 1, CONFL 3)
		CFO 3	A: Please remember when you were assigned to perform OEC interactions the ESC, do you think considering other students was one of the factors impeding you to perform OEC interactions during the learning activities? If yes, please explain why B: No sis (IP3A-L3, SCF 1, CFO 3)
		CASO 3	A: Please remember when you were assigned to perform OEC interactions the ESC, do you think being considered showing off was one of the factors impeding you to perform OEC interactions during the learning activities? If yes, please explain why B: No, sis (IP3A-L1, SCF 1, CASO 3)
	EF 1	LCE 4	A: Do you think that the lack of a supportive learning environment was one of the factors that prevented you from implementing OEC at ESC? Please explain why and give examples if possible. B: Yes...there was time I felt that the classroom situation in the BE classroom made me feel nervous BE classroom, I felt the situation threatening because the lecturer lacked of smiles (IP3A-L1, EF 1, LCE 4)

		DAOT L 4	A: Please remember when you were asked to perform OEC in the ESC, do you think the learning environment factor is one of the factors impeding you to perform OEC interactions? Please justify your answer B: No, sis (IP3A-L1, EF 1, DAOTL 4)
	PAAFF 1	ADUT FOMM IS 5	A: Please remember when you assigned to perform OEC interactions, what other factors do you think impeding to perform the interactions? Is it because of personal and affective factor aspect? B: Yes, I agree. I felt anxiety of when the lecturer required all students to use OEC to participate in a group discussion. because I felt that the other students would laugh at me when making a mistake. It reduced my willingness to practice using OEC in the group discussion activity and business presentation (IP3A-L1, PAAFF 1, ADUTFOMMIS 5)

Factors affecting Learners' interactions when using Oral English Communication in Speaking English Classroom	FL	FLF 1		<p>It was noted that OP-3A-L did not effectively use language functions to take over the speaking turn. She also shifted to use Bahasa Indonesia to involve the other student and use some appropriate expressions when leading a group discussion (OP-3A-L)</p> <p>A: When you were assigned to the learning activities in the ESC, what factors do you think make you unable to perform OEC interactions? Do you think your lack of ability to use language expression is one of the factors make you unable to perform OEC interactions. If yes, please explain why and give example.</p> <p>B: Yes... I remember I had difficulty to perform OEC interactions when participating group discussion because I am not able to convey my ideas. I don't know the language expressions. (IP3A-L1, FLF 1)</p> <p>(FI-P3A-L) I remained silent during the lecturing presentation activity because was not able to express message politely to ask and provide information to the lecturer</p>	9
		FLK/D OI 1		<p>It was noted that OB-P4B-H did not effectively use oral English communication under business context. Even though, she used oral English communication with effective grammar and vocabularies. She did not effectively organize the information systematically. (OB-P4B-H)</p> <p>A: When you were assigned to perform the learning activities in the ESC (English Speaking Classroom), do you think your lack of ability in developing and organizing ideas was one of the factors made you difficult</p>	8

			<p>to perform OEC interactions? If yes, please explain why and give examples. According to my observation notes, do you ever find it difficult to express your ideas during pair work activities? Can you explain what factors caused this?</p> <p>B: Yes, I agree, the lack of knowledge and skills of organizing ideas systematically into a good text was one the factors impeding me to perform oral English communication. For example, I felt that I was not able to perform correctly because I had lack of knowledge to develop and organize ideas logically when delivering an individual presentation in front of the class. (IP4B-H2, FLK/DOI 1)</p> <p>(FI-P4B-H) Personally, I felt that I was still not able to develop and organize my ideas when delivering my presentation in front of the class. sometimes I didn't know how to start and to finish.</p>	
	FV 1		<p>Generally, I noted that OB-P9C-L when the lecturer asked OB-P9C-L does not seem sufficient vocabulary to be able to complete all what she intends to say in English before she shifted to using Indonesian language (OB-P9C-L)</p> <p>A: When you are assigned to do ESC learning activities, do you think that your lack of vocabulary is one of the factors that make it difficult for you to do ESC interactions in these activities? If yes, please explain why.</p> <p>B: Yes, I usually didn't have sufficient vocabularies when the lecturer asked me to deliver an individual presentation. I remembered in the individual presentation in front of the class, I just remained silent because I felt the lack of vocabularies. (IP9C-L, FV 1)</p> <p>(FI-P9C-L) When the lecturer asked the class to perform the roleplay, I found it difficult to express my ideas because of my limited vocabularies. Consequently, I was not able to complete the message I would like to say. Finally, I expressed it in Indonesian Language.</p>	6

	FGR 1	FSS 2	<p>I observed that P7C-H did not accurately use oral English. The lecturer asked the class to perform the role play activity. He did not seem to express his ideas with effective grammar. (OB-P7C-H)</p> <p>A: When you were assigned to conduct learning activities at ESC, do you think that your lack of grammar knowledge was one of the factors that made it difficult for you to interact in learning activities? If you answered yes, please explain why this is the case.</p> <p>B: Yes, I have lack of ability to use grammar accurately. I remember I found it difficult to describe objects when the lecturer asked the class to perform the role play activity (IP-7C-H, FSS 2)</p> <p>(FI-P7C-H) I was unable to compose English sentences and use appropriate tenses so I only say some words</p>	5
	FP 1		<p>It was noted that when the teacher asked the class to perform the role play, P9C-L should say "birthday". In fact, she pronounced it "Bird day". The lecturer immediately corrected and told the correct pronunciation (OB-P9C-L)</p> <p>A: How about pronunciation?</p> <p>B: Yes, I think my poor pronunciation was one of the factors hindered me when the lecturer asked the class to perform OECI deliver the Individual presentation and the role play activities. (IP9C-L3, FP 1)</p> <p>(FI-P9C-L) I have to admit that I am not good at my pronunciation. For me, it is too hard for me to distinguish the pronunciation.</p>	3
FNL	FMT	LET 2	<p>It was noted that the lecturer gave feedback frequently to the students' grammatical mistakes and the students looked unhappy to it (OB-P3A-L)</p>	8

			<p>A: Please remember when you were asked to assign the learning activities, do you think the lecturer's way of correcting your mistakes was one of the factors impeding you to develop your OEC? If yes, please explain why</p> <p>B: Yes, for me, the lecture's way of correcting students' mistake was one of the factors reduced my willingness to use OEC. For example, when I delivered my work, sometimes, I felt that the lecturer's feedback was not friendly to correct my mistake... so it discouraged me to practice using OEC in the learning activities. It made me demotivated to learn and practice OEC.</p>	
	LOA 2		<p>The researcher observed that P3A-L when the lecturer asked the students to discuss in a group of 4, on Simple Past and Present Perfect Tense in any events using OEC, P3AL mostly kept silent and sometimes used Indonesian language (OB-P3A-L)</p> <p>A: When you are assigned to do learning activities in ESC, do you think the lack of recognition from lecturers of your abilities is one of the factors that hinder you from developing your OEC competence in ESC? If yes, please explain why</p> <p>B: Yes, I remember that the lecturer gave us a task to make an individual presentation about describing object. 	SCF 1	CONL F 3	<p>It was noted that OP-6BL remained the lecturer asked her to give information describe the objects in her house in the lecturing presentation (OB-P6B-L)</p> <p>A: Please remember when you were assigned to perform OEC interactions in the learning activities, do you think the feeling concern about losing face was one of the factors impeding you to perform the interaction during the ESC activities? If yes, please explain why</p> <p>B: Yes... for me speaking in front of the class makes me nervous because I will feel being judged by many people and when making mistakes, I will feel shy. (IP6B-L2, SCF 1, CONFL 3)</p> <p>(FI-P6B-L) I remained silent because I felt that my friends would laugh at me if I made mistakes</p>	4
		CFO 3	<p>It was noted that in the group discussion consisting 5 members of participants, OBP1A-H1 who usually actively participated in the group discussion did not volunteer to speak out as much as she usually did in the other learning activities</p> <p>A: Please remember when you were assigned to perform OEC interactions the ESC, do you think considering other students was one of the factors impeding you to perform OEC interactions during the learning activities? If yes, please explain why</p> <p>B: Yes, Sometimes, I felt that I would participate as frequently as possible, but I did not do it because I paid a pity to the low proficiency students who had less opportunity to practice using OEC. Hence, I frequently decided to let them speak. But they did not use the opportunity (IP1A-H1, SCF 1, CFO 3)</p> <p>(FI-P1A-H) Yes, sometimes I paid pity to the low proficiency students. They had less opportunity to practice OECI. Thus, I let them speak.</p>	3

		PAAFF 1	ADUT FOMM IS	<p>It was noted that P3A-L rarely performed OECI when the lecturer asked her to do a pair work in practicing a conversation in the group discussion (OB-P3A-L)</p> <p>A: Please remember when you assigned to perform OEC interactions, what other factors do you think impeding to perform the interactions?
