## APPENDIX

### Everything I Wanted

[Verse 1]

I had a dream  
I got everything I wanted  
Not what you'd think  
And if I'm bein' honest  
It might've been a nightmare  
To anyone who might care  
Thought I could fly (Fly)  
So I stepped off the Golden, mm  
Nobody cried (Cried, cried, cried, cried)  
Nobody even noticed  
I saw them standing right there  
Kinda thought they might care (Might care, might care)

[Pre-Chorus]

I had a dream  
I got everything I wanted  
But when I wake up, I see  
You with me

[Chorus]

And you say, "As long as I'm here, no one can hurt you  
Don't wanna lie here, but you can learn to  
If I could change the way that you see yourself  
You wouldn't wonder why you're here, they don't deserve you"

[Verse 2]

I tried to scream  
But my head was underwater  
They called me weak  
Like I'm not just somebody's daughter  
Coulda been a nightmare  
But it felt like they were right there  
And it feels like yesterday was a year ago  
But I don't wanna let anybody know  
'Cause everybody wants something from me now  
And I don't wanna let 'em down

[Pre-Chorus]

I had a dream  
I got everything I wanted

But when I wake up, I see  
You with me

[Chorus]

And you say, "As long as I'm here, no one can hurt you  
Don't wanna lie here, but you can learn to  
If I could change the way that you see yourself  
You wouldn't wonder why you're here, they don't deserve you"

[Outro]

If I knew it all then, would I do it again?  
Would I do it again?  
If they knew what they said would go straight to my head  
What would they say instead?  
If I knew it all then, would I do it again?  
Would I do it again?  
If they knew what they said would go straight to my head  
What would they say instead?

## 8

[Verse 1]

Wait a minute, let me finish  
I know you don't care  
But, can you listen?  
I came committed, guess I overdid it  
Wore my heart out on a chain  
Around my neck but now it's missing, hmm

[Pre-Chorus]

Da-da-da-da-da-da  
Da-da-da-da-da-da-da-da  
Oh, hmm

[Chorus]

So I think I better go  
I never really know how to please you  
You're looking at me like I'm see through  
I guess I'm gonna go  
I just never know how you feel  
Do you even feel anything?

[Pre-Chorus]

Da-da-da-da-da-da  
Da-da-da-da-da-da-da-da

Oh, hmm

[Verse 2]

You said don't treat me badly  
But you said it so sadly  
So I did the best I could  
Not thinking you would have left me gladly  
I know you're not sorry  
Why should you be  
'Cause who am I to be in love  
When your love never is for me, me

[Pre-Chorus]

Da-da-da-da-da-da  
Da-da-da-da-da-da-da-da  
Oh, hmm

[Chorus]

So I think I better go  
I never really know how to please you  
You're looking at me like I'm see through  
I guess I'm gonna go  
I just never know how you feel  
Do you even feel anything?

### **I Love You**

[Verse 1]

It's not true  
Tell me i've been lied to  
Crying isn't like you  
Oh-oh-oh  
What the hell did I do?  
Never been the type to  
Let someone see right through  
Oh-oh-oh

[Chorus]

Maybe won't you take it back  
Say you were tryna make me laugh  
And nothing has to change today  
You didn't meant to say "I love you"  
I love you and I don't want to  
Oh-oh-oh

[Verse 2]

Up all night on another red eye  
I wish we never learned to fly

I-I-i

Maybe we should just try  
To tell ourselves a good lie  
I didn't meant to make you cry

I-I-I

[Chorus]

Maybe won't you take it back  
Say you were tryna make me laugh  
And nothing has to change today  
You didn't meant to say "I love you"

I love you and I don't want to

Oh-oh-oh

[Bridge]

The smile that you gave me  
Even when you felt like dying

[Outro]

We fall apart as it gets dark  
I'm in your arms in central park  
There's nothing you could do or say  
I can't escape the way, I love you  
I don't want to, but I love you

Oh-oh-oh

Oh-oh-oh

Oh-oh-oh

Oh-oh-oh

Oh-oh-oh

### **Bellyache**

[Verse 1]

Sittin' all alone  
Mouth full of gum  
In the driveway  
My friends aren't far  
In the back of my car  
Lay their bodies

[Pre-Chorus]

Where's my mind

Where's my mind

[Verse 2]

They'll be here pretty soon  
Lookin' through my room  
For the money  
I'm bitin' my nails  
I'm too young to go to jail  
It's kinda funny

[Pre-Chorus]

Where's my mind  
Where's my mind  
Where's my mind  
Where's my mind

[Chorus]

Maybe it's in the gutter  
Where I left my lover  
What an expensive fate  
My V is for Vendetta  
Thought that I'd feel better  
But now I got a bellyache

[Verse 3]

Everything I do  
The way I wear my noose  
Like a necklace  
I wanna make 'em scared  
Like I could be anywhere  
Like I'm wreck-less

[Pre-Chorus]

I lost my mind  
I don't mind  
Where's my mind  
Where's my mind

[Chorus]

Maybe it's in the gutter  
Where I left my lover  
What an expensive fate  
My V is for Vendetta  
Thought that I'd feel better  
But now I got a bellyache

Maybe it's in the gutter  
Where I left my lover  
What an expensive fate  
My V is for Vendetta  
Thought that I'd feel better  
But now I got a bellyache

### **Ocean Eyes**

[Verse 1]

I've been watchin' you for some time  
Can't stop staring at those ocean eyes  
Burning cities and napalm skies  
Fifteen flares inside those ocean eyes  
Your ocean eyes

[Chorus]

No fair  
You really know how to make me cry  
When you give me those ocean eyes  
I'm scared  
I've never fallen from quite this high  
Falling into your ocean eyes  
Those ocean eyes

[Verse 2]

I've been walking through a world gone blind  
Can't stop thinkin' of your diamond mind  
Careful creature made friends with time  
You left her lonely with a diamond mind  
And those ocean eyes

[Chorus]

No fair  
You really know how to make me cry  
When you give me those ocean eyes  
I'm scared  
I've never fallen from quite this high  
Falling into your ocean eyes  
Those ocean eyes

No fair  
You really know how to make me cry  
When you give me those ocean eyes  
I'm scared

I've never fallen from quite this high  
Falling into your ocean eyes  
Those ocean eyes

### **Bad Guy**

[Verse 1]

White shirt, now red my bloody nose  
Sleeping, you're on your tippy toes  
Creeping around like no one knows  
Think you're so criminal  
Bruises, on both my knees for you  
Don't say thank you or please  
I do what I want when I'm wanting to  
My soul? So cynical

[Chorus]

So you're a tough guy  
Like it really rough guy  
Just can't get enough guy  
Chest always so puffed guy  
I'm that bad type  
Make your mama sad type  
Make your girlfriend mad type  
Might seduce your dad type  
I'm the bad guy, duh

[Post-Chorus]

I'm the bad guy

[Verse 2]

I like it when you take control  
Even if you know that you don't  
Own me, I'll let you play the role  
I'll be your animal  
My mommy likes to sing along with me  
But she won't sing this song  
If she reads all the lyrics  
She'll pity the men I know

[Chorus]

So you're a tough guy  
Like it really rough guy  
Just can't get enough guy  
Chest always so puffed guy

I'm that bad type  
Make your mama sad type  
Make your girlfriend mad tight  
Might seduce your dad type  
I'm the bad guy, duh

[Post-Chorus]  
I'm the bad guy, duh  
I'm only good at being bad, bad

[Interlude]  
I like when you get mad  
I guess I'm pretty glad that you're alone  
You said she's scared of me?  
I mean, I don't see what she sees  
But maybe it's 'cause I'm wearing your cologne

[Outro]  
I'm a bad guy  
I'm a bad guy  
Bad guy, bad guy  
I'm a bad

### **idontwannabeyouanymore**

[Verse 1]  
Don't be that way  
Fall apart twice a day  
I just wish you could feel what you say  
Show, never tell  
But I know you too well  
Got a mood that you wish you could sell

[Chorus]  
If teardrops could be bottled  
There'd be swimming pools filled by models  
Told "a tight dress is what makes you a whore"  
If "I love you" was a promise  
Would you break it, if you're honest  
Tell the mirror what you know she's heard before  
Idontwannabeyouanymore

[Verse 2]  
Hands getting cold  
Losing feeling getting old

Was I made from a broken mold?  
Hurt, I can't shake  
We've made every mistake  
Only you know the way that I break

[Chorus]

If teardrops could be bottled  
There'd be swimming pools filled by models  
Told "a tight dress is what makes you a whore"  
If "I love you" was a promise  
Would you break it, if you're honest  
Tell the mirror what you know she's heard before  
I don't wanna be you  
I don't wanna be you  
I don't wanna be you...  
Anymore
