### 1. The Biography of Justin Bieber

Justin Drew Bieber was born on March 1, 1994 at St. Joseph's Hospital in London, Ontario, Canada, and was raised in Stratford, Ontario. He is the son of Pattie Mallette and Jeremy Bieber. He is of French-Canadian, Irish, German, English, and Scottish descent. He has three younger half-siblings via his father. Since his parents divorced, Justin had to lose a figure of father since he was a child. Mr. Jeremy, Justin's father, had left Mrs. Justin (Pattie) which at that time was 18 years old. Nevertheless, in honor of his father, Justin still bears the last name of Jeremy.

At a very young age, Justin has shown his interest and talent in the world of music. His mother sent him to music school to develop talents possessed by her son. Not just a hobby, Justin even has the talent for

playing various types of musical instruments such as guitars, drums, trumpet, and piano.

When Justin was 12, he had followed the singing contest. At that age, he had managed to become second place. Besides singing from one stage to another stage, Justin also frequently uploads his video to YouTube. In the end, a marketing executive named Scooter Braun saw his video is interested in Justin.

After cooperating, finally in 2009, Justin managed to release his first album My World. The success of the first album Justin was shown by achieving platinum in Canada because of the single One Time.

Success in the first album in 2009, Justin released his second album in 2010 with the title Baby. The success of this second album was recorded exceeded his first album.

On 14 February in 2011, a song called Never Say Never was released. The song was also taken to be the same soundtrack in a movie called Never Say Never. This film tells the story about the biography of Justin Bieber successfully and became very popular among adolescents.

The third studio album, Believe was released on June 19, 2012, through Island Records. This album marked a departure from the sound of teen pop music that the previous release, and combines elements of dance-pop and R & B genre. Intent on developing a more mature sound, Justin collaborated with a variety of urban producers to release as well as some

longtime collaborators, including Darkchild, Hit-Boy, Diplo, and Max Martin.

In 2015, Justin released a new album entitled Purpose. Songs that make the album popular were Love Yourself, Sorry, Purpose, IIL Show You, and many more. Now, he is competing with other singers like Rihanna, Adele, Charlie Puth, Zayn Malik, and others.

In 2017, Justin will launch his latest album titled Music is the Weapon. Justin collaborated with the Danish flagship song titled Cold Water. Cold Water has been released on July 21st, 2016. The song was written by Major Lazer, Benny Blanco, Diplo, Ed Sheeran, Justin Bieber, MO, Jamie Scott, Henry Allen, and Philip Meckseper. The song was produced by Diplo, Jr. Blender Benny Blanco, and King Henry.

On March 25, 2019, Bieber announced via Instagram that he would be taking a break from music to fix an "inner problem" he was having. But when Bieber appeared on The Ellen DeGeneres Show for the first time from his break on January 28, 2020, Bieber finally confirmed the release date of his fifth studio album, Changes, which was February 14, 2020.

He has won a Grammy Award and an American Music Award. He has been listed numerous times by Forbes magazine among the "Top Ten Most Powerful Celebrities in the World."

He has sold an estimated 140 million records, making him one of the world's best-selling music artists.

## 2. Lyrics

### “Love Yourself”

For all the times that you rained on my parade  
And all the clubs you get in using my name  
You think you broke my heart, oh, girl for goodness' sake  
You think I'm cryin' on my own. Well, I ain't

And I didn't wanna write a song  
'Cause I didn't want anyone thinking I still care. I don't  
But you still hit my phone up  
And, baby, I'll be movin' on  
And I think you should be somethin' I don't wanna hold back  
Maybe you should know that

My mama don't like you and she likes everyone  
And I never like to admit that I was wrong  
And I've been so caught up in my job  
Didn't see what's going on  
But now I know  
I'm better sleeping on my own

'Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself

But when you told me that you hated my friends  
The only problem was with you and not them  
And every time you told me my opinion was wrong  
And tried to make me forget where I came from

And I didn't wanna write a song  
'Cause I didn't want anyone thinking I still care. I don't  
But you still hit my phone up  
And, baby, I'll be movin' on  
And I think you should be somethin' I don't wanna hold back  
Maybe you should know that

My mama don't like you and she likes everyone  
And I never like to admit that I was wrong  
And I've been so caught up in my job  
Didn't see what's going on  
But now I know  
I'm better sleeping on my own

'Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself

For all the times that you made me feel small  
I fell in love. Now I feel nothin' at all  
I never felt so low and I was vulnerable  
Was I a fool to let you break down my walls?

'Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself

'Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think (you think) that I'm (that I'm) still holdin' on (holdin' on)  
to somethin'  
You should go and love yourself

## **“Changes”**

Some days I move like water  
Some days I burn like fire  
Some days I wanna push further  
Some days I wanna do nothin'

And I just wanna be the best of me  
Even though sometimes we might disagree  
So that I can be the best for you  
That's all I wanna do

I'm goin' through changes  
I'm goin' through changes  
Though I'm goin' through changes  
Don't mean that I'll change

Sometimes I'll go to sleep early  
Sometimes I can't close my eyes  
Sometimes I smile like it's all good  
Even though there's pain underneath it

I just wanna be the best of me  
Even though sometimes I forget to breathe  
So that I can be the best for you  
That's all I wanna do

I be goin' through changes  
I'm goin' through changes  
Though I'm goin' through changes  
Don't mean that I'll change  
Yeah, I'm goin' through changes  
I'm goin' through changes (Ooh, yes I am)  
Though I'm goin' through changes (That's right)  
Don't mean that I'll change, woah

La-da-da-da-dum, la-da-da-da-dum  
La-da-da-da-dum, la-da-da-da-dum, no  
La-da-da-da-dum, la-da-da-da-dum  
I'm going through changes  
No, I ain't changed, yeah  
Uh, people change, circumstances change  
But God always remains the same

## **“Born To Be Somebody”**

There's a dream in my soul  
A fire that's deep inside me  
There's a me no one knows  
Waiting to be set free

I'm gonna see that day  
I can feel it, I can taste it  
Change is, coming my way

I was born to be somebody  
Ain't nothing that's ever gonna stop me  
I'll light up the sky like lightning  
I'm gonna rise above  
Show 'em what I'm made of  
I was born to be somebody  
I was born to be  
And this world will belong to me

This life can kick you around (whoa)  
This world can make you feel small (whoa)  
They will not keep me down (whoa)  
I was born to stand tall

I'm going all the way  
I can feel it, I believe it  
I'm here, I'm here to stay

I was born to be somebody  
Ain't nothing that's ever gonna stop me  
I'll light up the sky like lightning  
I'm gonna rise above  
Show 'em what I'm made of  
I was born to be somebody  
I was born to be  
And this world will belong to me

Feel it  
Believe it  
Dream it  
Be it

I was born to be somebody (born to be, yeah!)  
Ain't nothing that's ever gonna stop me (no, no, woah)  
I'll light up the sky like lightning

I'm gonna rise above  
Show 'em what I'm made of  
I was born to be somebody  
I was born to be  
And this world will belong to me

Oh, oh  
And this world will belong to me  
Yeah, yeah, oh  
This world will belong to me

## **“Believe”**

(Believe)

Believe, believe, believe

I don't know how I got here  
I knew it wouldn't be easy  
But your faith in me was so clear  
It didn't matter how many times I got knocked on the floor  
But you knew one day I would be standing tall  
Just look at me now

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe  
(Believe)  
Believe...

There were days when I was just broken, you know  
There were nights when I was doubting myself  
But you kept my heart from falling  
It didn't matter how many times I got knocked on the floor  
But you knew one day I would be standing tall  
Just look at us now

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe

[Gospel]

Where would I be, if you, if you  
If you didn't believe  
Would I know how it feels to  
Touch the sky, if you didn't believe  
Believe, believe

It didn't matter how many times I got knocked on the floor  
You knew one day I would be standing tall  
Just look at us now

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe

[Gospel]

Where would I be, if you  
If you didn't believe  
Would I know how it feels to  
Touch the sky, if you didn't believe  
Believe, believe

Where would I be, if you didn't believe

## **“Anyone”**

Dance with me under the diamonds  
See me like breath in the cold  
Sleep with me here in the silence  
Come kiss me, silver and gold

You say that I won't lose you, but you can't predict the future  
So just hold on like you will never let go  
Yeah, if you ever move on without me  
I need to make sure you know that

You are the only one I'll ever love (I gotta tell ya, gotta tell ya)  
Yeah, you, if it's not you, it's not anyone (I gotta tell ya, gotta tell ya)  
Lookin' back on my life, you're the only good I've ever done (Ever done)  
Yeah, you, if it's not you, it's not anyone (Anyone), not anyone

Forever's not enough time to (Oh)  
Love you the way that I want (Love you the way that I want)  
'Cause every mornin', I'll find you (Oh)  
I fear the day that I don't

You say that I won't lose you, but you can't predict the future  
'Cause certain things are out of our control  
Yeah, if you ever move on without me  
I need to make sure you know that

You are the only one I'll ever love (Only one, I gotta tell ya, gotta tell ya)  
Yeah, you, if it's not you, it's not anyone (I gotta tell ya, gotta tell ya)  
Lookin' back on my life, you're the only good I've ever done (I've ever done)  
Yeah, you, if it's not you, it's not anyone (It's not anyone, not anyone)

Oh-oh-oh-oh  
If it's not you, it's not anyone  
Oh-oh-oh, yeah, woah

Yeah, you are the only one I'll ever love (I gotta tell ya, gotta tell ya, yeah,  
oh-oh-oh-oh)  
Yeah, you, if it's not you, it's not anyone (I gotta tell ya, gotta tell ya)  
Lookin' back on my life, you're the only good I've ever done (Ever done,  
oh, yeah)  
Yeah, you, if it's not you, it's not anyone

## **“Purpose”**

Feeling like I'm breathing my last breath  
Feeling like I'm walking my last steps  
Look at all of these tears I've wept  
Look at all the promises that I've kept

I put my all into your hands  
Here's my soul to keep  
I let you in with all that I can  
You're not hard to reach

And you bless me with the best gift  
That I've ever known  
You give me purpose  
Yeah, you've given me purpose

Thinking my journey's come to an end  
Sending out a farewell to my friends, for inner peace  
Ask you to forgive me for my sins, oh would you please?  
I'm more than grateful for the time we spent, my spirit's at ease

I put my heart into your hands  
Learn the lessons you teach  
No matter when, wherever I am  
You're not hard to reach

And you've given me the best gift  
That I've ever known  
You give me purpose everyday  
You give me purpose in every way

Oh, you are my everything  
Oh, you are my everything

[Spoken:]

I don't know if this is wrong, because someone else is telling me that it's wrong. But I feel this so let me just like try my best not to let this happen again. We weren't necessarily put in the best position to make the best decisions

You can't be hard on yourself for it, these are the cards you were given so you have to understand that's not who you are. You know you're trying to be the best you can be, but that's all you can do. If you don't give it all you got, you're only cheating yourself give it all you got but if it ends up happening, it ends up happening

That's what happening with me, it's like "God, I'm giving it all I've got, sometimes I'm weak and I'm going to do it." And it's like I'm not giving myself grace, I'm just like understanding that's how it is

## **“Be Alright”**

Across the ocean, across the sea,  
Starting to forget the way you look at me now  
Over the mountains, across the sky,  
Need to see your face, I need to look in your eyes

Through the storm and through the clouds  
Bumps on the road and upside down now  
I know it's hard, babe, to sleep at night  
Don't you worry  
'cause everything's gonna be alright, ai-ai-ai-aight  
Be alright, ai-ai-ai-aight

Through the sorrow, and the fights,  
Don't you worry  
'cause everything's gonna be alright, ai-ai-ai-aight  
Be alright, ai-ai-ai-aight

All alone, in my room  
Waiting for your phone call to come soon  
And for you, oh, I would walk a thousand miles,  
To be in your arms, holding my heart

Oh, I,  
Oh, I,  
I love you  
And everything's gonna be alright, ai-ai-ai-aight  
Be alright, ai-ai-ai-aight

Through the long nights  
And the bright lights  
Don't you worry  
'cause everything's gonna be alright, ai-ai-ai-aight  
Be alright, ai-ai-ai-aight

You know that I care for you  
I'll always be there for you  
I promise I will stay right here, yeah

I know that you want me too,  
Baby we can make it through anything  
'Cause everything's gonna be alright, ai-ai-ai-aight  
Be alright, ai-ai-ai-aight

Through the sorrow, and the fights,

Don't you worry  
'cause everything's gonna be alright, ai-ai-ai-aight  
Be alright, ai-ai-ai-aight

Through the sorrow, and the fights,  
Don't you worry  
Everything's gonna be alright

## **“Pray”**

And I pray

I just can't sleep tonight  
Knowing that things ain't right.  
It's in the papers, it's on the TV, it's everywhere that I go:  
Children are crying,  
Soldiers are dying,  
Some people don't have a home.

But I know there's sunshine beyond that rain.  
I know there's good times beyond that pain.  
Hey, can you tell me how I can make a change?

I close my eyes and I can see a better day.  
I close my eyes and pray.  
I close my eyes and I can see a better day.  
I close my eyes and pray.

I lose my appetite  
Knowing kids starve tonight.  
Am I a sinner  
'Cause half my dinner  
Is still there on my plate?  
Ooh, I got a vision to make a difference.  
And it's starting today.

'Cause I know there's sunshine beyond that rain.  
I know there's good times beyond that pain.  
Heaven, tell me I can make a change.

I close my eyes and I can see a better day.  
I close my eyes and pray.  
I close my eyes and I can see a better day.  
I close my eyes and...

I pray for the broken-hearted.  
I pray for the life not started.  
I pray for all the lungs not breathing.  
I pray for all the souls that need a break.  
Can you give 'em one today?

I just can't sleep tonight.  
Can someone tell me how to make a change?

I close my eyes and I can see a better day.  
I close my eyes and pray.  
I close my eyes and I can see a better day.  
I close my eyes and I pray.

I pray.  
I pray.

I close my eyes and pray.
