## The Song Lyrics

### Drag Me Down – One Direction

I've got fire for a heart  
I'm not scared of the dark  
You've never seen it look so easy  
I got a river for a soul  
And baby, you're a boat  
Baby, you're my only reason  
If I didn't have you, there would be  
nothing left  
The shell of a man that could never be  
his best  
If I didn't have you, I'd never see the  
sun  
You taught me how to be someone,  
yeah  
All my life, you stood by me  
When no one else was ever behind me  
All these lights, they can't blind me  
With your love, nobody can drag me  
down  
All my life, you stood by me  
When no one else was ever behind me  
All these lights, they can't blind me  
With your love, nobody can drag me  
down  
Nobody, nobody  
Nobody can drag me down  
Nobody, nobody  
Nobody can drag me down  
I got fire for a heart  
I'm not scared of the dark  
You've never seen it look so easy  
I got a river for a soul  
And baby, you're a boat  
Baby, you're my only reason

If I didn't have you there would be  
nothing left (nothing left)  
The shell of a man who could never be  
his best (be his best)  
If I didn't have you, I'd never see the  
sun (see the sun)  
You taught me how to be someone,  
yeah  
All my life, you stood by me  
When no one else was ever behind me  
All these lights, they can't blind me  
With your love, nobody can drag me  
down  
Nobody, nobody  
Nobody can drag me down  
Nobody, nobody  
Nobody can drag me  
All my life, you stood by me  
When no one else was ever behind me  
All these lights, they can't blind me  
With your love, nobody can drag me  
down  
All my life, you stood by me  
When no one else was ever behind me  
All these lights, they can't blind me  
With your love, nobody can drag me  
down  
Nobody, nobody  
Nobody can drag me down (yeah)  
Nobody, nobody  
Nobody can drag me down  
Nobody, nobody  
Nobody can drag me down  
Nobody, nobody  
Nobody can drag me down

## End of the Day – One Direction

I told her that I loved her, was not sure  
if she heard  
The roof was pretty windy and she  
didn't say a word  
Party dyin' downstairs, had nothing left  
to do  
Just me, her, and the moon  
I said, "You're on fire, babe"  
Then down came the lightning on me  
Love can be frightening for sure  
All I know at the end of the day  
Is you want what you want and you say  
what you say  
And you follow your heart even though  
it'll break  
Sometimes  
All I know at the end of the day  
Is you love who you love, there ain't no  
other way  
If there's something I learned from a  
million mistakes  
You're the one that I want at the end of  
the day  
At the end of the day  
You're the one that I want at the end of  
the day  
She said the night was over, I said, "It's  
forever"  
Twenty minutes later, wound up in the  
hospital  
The priest thinks it's the devil, my mom  
thinks it's the flu  
But girl, it's only you  
I said, "You're on fire, babe"  
Then down came the lightning on me  
Love can be frightening for sure  
All I know at the end of the day  
Is you want what you want and you say  
what you say

And you follow your heart even though  
it'll break  
Sometimes  
All I know at the end of the day  
Is you love who you love, there ain't no  
other way  
If there's something I learned from a  
million mistakes  
You're the one that I want at the end of  
the day  
(At the end of the day)  
When the sun goes down  
I know that you and me and  
everything'll be alright  
And when the city's sleeping  
You and I can stay awake and keep on  
dreaming  
You and I can stay awake and keep on  
dreaming  
All I know at the end of the day  
Is you want what you want and you say  
what you say  
And you follow your heart even though  
it'll break  
Sometimes  
All I know at the end of the day  
Is you love who you love, there ain't no  
other way  
If there's something I learned from a  
million mistakes  
You're the one that I want at the end of  
the day  
(At the end of the day, yeah)  
At the end of the day  
You're the one that I want at the end of  
the day  
(At the end of the day)  
You're the one that I want at the end of  
the day

## Hey Angel – One Direction

Hey angel, do you know the reasons why  
We look up to the sky?  
Hey angel, do you look at us and laugh  
When we hold on to the past? Hey angel  
Oh I wish I could be more like you  
Do you wish you could be more like me?  
Oh I wish I could be more like you  
Do you wish you could be more like me?  
Hey angel, tell me do you ever try  
To come to the other side?  
Hey angel  
Tell me, do you ever cry when we waste away our lives?  
Oh I wish I could be more like you  
Do you wish you could be more like me?  
Oh I wish I could be more like you  
Oh I wish I could be more, I could be more, I could be more  
Yeah I see you at the bar, at the edge of my bed  
Backseat of my car, in the back of my head  
I come alive when I hear your voice  
It's a beautiful sound, it's a beautiful noise  
I see you at the bar, at the edge of my bed  
Backseat of my car, in the back of my head  
I come alive when I hear your voice  
It's a beautiful sound, it's a beautiful noise  
Hey angel  
Hey angel  
Do you look up to the sky?  
Do you look up to the sky?  
Oh I wish I could be more like you  
Do you wish you could be more like me?  
Oh I wish I could be more like you  
Do you wish you could be more like me?  
Hey angel  
Hey angel

## History – One Direction

You gotta help me, I'm losing my mind  
Keep getting the feel you wanna leave  
this all behind  
Thought we were going strong  
I thought we were holding on  
Aren't we?  
No, they don't teach you, this in school  
Now my heart's breaking and I don't  
know what to do  
Thought we were going strong  
Thought we were holding on  
Aren't we?  
You and me got a whole lot of history  
We could be the greatest team  
That the world has ever seen  
You and me got a whole lot of history  
So don't let it go, we can make some  
more  
We can live forever  
All of the rumours, all of the fights  
But we always find a way to make it out  
alive  
Thought we were going strong  
Thought we were holding on  
Aren't we?  
You and me got a whole lot of history  
We could be the greatest team  
That the world has ever seen  
You and me got a whole lot of history  
So don't let it go, we can make some  
more  
We can live forever  
Minibars, expensive cars  
Hotel rooms and new tattoos  
The good champagne and private planes  
But they don't mean anything  
'Cause' the truth is out, I realise  
That without you here, life is just a lie  
This is not the end  
This is not the end  
We can make it you know it, you know

You and me got a whole lot of history  
We could be the greatest team  
That the world has ever seen  
You and me got a whole lot of history  
So don't let it go, we can make some  
more  
We can live forever  
You and me got a whole lot of history  
We could be the greatest team  
That the world has ever seen  
You and me got a whole lot of history  
So don't let it go, we can make some  
more  
We can live forever  
So don't let me go  
So don't let me go  
We can live forever  
Baby don't you know  
Baby don't you know  
We can live forever

I Want to Write You a Song – One Direction

I want to write you a song  
One that's beautiful as you are sweet  
With just a hint of pain  
For the feeling that I get when you are gone  
I want to write you a song  
I want to lend you my coat  
One that's as soft as your cheek  
So when the world is cold  
You'll have a hiding place you can go  
I want to lend you my coat  
Everything I need I get from you  
Givin' back is all I wanna do  
I want to build you a boat  
One that's strong as you are free  
So any time you think that your heart is gonna sink  
You know it won't  
I want to build you a boat  
Everything I need I get from you  
Givin' back is all I wanna do  
Everything I need I get from you  
Givin' back is all I wanna do  
I want to write you a song  
One to make your heart remember me  
So any time I'm gone  
You can listen to my voice and sing along  
I want to write you a song  
I want to write you a song

If I Could Fly – One Direction

If I could fly  
I'd be comin' right back home to you  
I think I might  
Give up everything, just ask me to  
Pay attention, I hope that you listen  
'Cause I let my guard down  
Right now I'm completely defenseless  
For your eyes only  
I'll show you my heart  
For when you're lonely  
And forget who you are  
I'm missing half of me  
When we're apart  
Now you know me  
For your eyes only  
For your eyes only  
I've got scars  
Even though they can't always be seen  
And pain gets hard  
But now you're here and I don't feel a  
thing  
Pay attention, I hope that you listen  
'Cause I let my guard down  
Right now I'm completely defenseless  
For your eyes only  
I'll show you my heart  
For when you're lonely  
And forget who you are  
I'm missing half of me  
When we're apart  
Now you know me  
For your eyes only  
For your eyes only  
I can feel your heart inside of mine  
I feel it, I feel it  
I've been goin' out of my mind  
I feel it, I feel it  
Know that I'm just wastin' time  
And I hope that you don't run from me  
For your eyes only  
I'll show you my heart

For when you're lonely  
And forget who you are  
I'm missing half of me  
When we're apart  
Now you know me  
For your eyes only  
For your eyes only  
I'll show you my heart  
For when you're lonely  
And forget who you are  
I'm missing half of me  
When we're apart  
Now you know me  
For your eyes only  
For your eyes only  
For your eyes only

## Infinity – One Direction

Down to Earth  
Keep on falling when I know it hurts  
Going faster than a million miles an hour  
Trying to catch my breath some way,  
somehow  
Down to Earth  
It's like I'm frozen, but the world still turns  
Stuck in motion, but the wheels keep spinning 'round  
Moving in reverse with no way out  
And now I'm one step closer to being  
Two steps far from you  
When everybody wants you  
Everybody wants you  
How many nights does it take to count the stars?  
That's the time it would take to fix my heart  
Oh, baby, I was there for you  
All I ever wanted was the truth, yeah,  
yeah  
How many nights have you wished someone would stay?  
Lay awake only hoping they're okay  
I never counted all of mine  
If I tried, I know it would feel like infinity  
Infinity, infinity, yeah  
Infinity  
Eyes can't shine  
Unless there's something burning bright behind  
Since you went away, there's nothing left in mine  
I feel myself running out of time  
And now I'm one step closer to being  
Two steps far from you  
When everybody wants you  
Everybody wants you

How many nights does it take to count the stars?  
That's the time it would take to fix my heart  
Oh, baby, I was there for you  
All I ever wanted was the truth, yeah,  
yeah  
How many nights have you wished someone would stay?  
Lay awake only hoping they're okay  
I never counted all of mine  
If I tried, I know it would feel like infinity  
Infinity, infinity, yeah  
Infinity  
Infinity, infinity  
How many nights does it take to count the stars?  
That's the time it would take to fix my heart  
Oh, baby, I was there for you  
All I ever wanted was the truth, yeah,  
yeah  
How many nights have you wished someone would stay?  
Lay awake only hoping they're okay  
I never counted all of mine  
If I tried, I know it would feel like infinity  
Infinity, infinity, yeah  
Infinity

## Long Way Down – One Direction

We've been in fire  
Went down in the flames  
We sailed the ocean  
And drowned in the waves  
Built a cathedral  
But we never prayed  
We had it all, yeah  
And we walked away  
Point of no return and now  
It's just too late to turn around  
I try to forgive you  
But I struggle 'cause I don't know how  
We built it up so high and now I'm fallin'  
It's a long way down  
It's a long way down, from here  
We had a mountain  
But took it for granted  
We had a spaceship  
But we couldn't land it  
We found an island  
But we got stranded  
We had it all  
Who could've planned it?  
Point of no return and now  
It's just too late to turn around  
I try to forgive you  
But I'm struggling 'cause I don't know how  
We built it up so high and now I'm fallin'  
It's a long way down, from you  
It's such a long way down, from here  
It's a long way down  
It's a long way down  
It's such a long way down  
It's a long way down  
It's a long way down

Love You Goodbye – One Direction

It's inevitable everything that's good comes to an end  
It's impossible to know if after this we can still be friends, yeah  
I know you're saying you don't wanna hurt me  
Well, maybe you should show a little mercy  
The way you look I know you didn't come to apologize  
Hey, hey, hey  
Oh, why you wearing that to walk out of my life?  
Hey, hey, hey  
Oh, even though it's over you should stay tonight  
Hey, hey, hey  
If tomorrow you won't be mine  
Won't you give it to me one last time?  
Oh, baby, let me love you goodbye  
Unforgettable together, held the whole world in our hands  
Unexplainable, a love that only we could understand, yeah  
I know there's nothing I can do to change it  
But is it something that can be negotiated?  
My heart's already breaking, baby, go on, twist the knife  
Hey, hey, hey  
Oh, why you wearing that to walk out of my life?  
Hey, hey, hey  
Oh, even though it's over you should stay tonight  
Hey, hey, hey  
If tomorrow you won't be mine  
Won't you give it to me one last time?  
Oh, baby, let me love you goodbye  
Oh, baby, let me love you goodbye  
One more taste of your lips just to bring me back  
To the places we've been and the nights we've had  
Because if this is it then at least we could end it right  
Oh, why you wearing that to walk out of my life?  
Hey, hey, hey  
Oh, even though it's over you should stay the night, yeah  
Hey, hey, hey  
If tomorrow you won't be mine  
Won't you give it to me one last time?  
Oh, baby, let me love you goodbye  
Oh, baby, let me love you goodbye  
Oh, baby, let me love you goodbye

## Never Enough – One Direction

Wanna pull an all nighter and get into  
something we'll never forget  
Wanna stay up and party the weekend  
away and not know when to quit  
Wanna drive in the night till the end of  
the earth and go over the edge  
Wanna wake up with you and say baby  
let's do it all over again  
Lips so good I forget my name  
I swear I could give you everything  
I don't need my love  
You can take it, you can take it, take it  
I don't need my heart  
You can break it, you can break it,  
break it  
I just can't get too much of you, baby  
It's never, it's never enough  
Never enough  
It's never enough  
Never enough  
C'mon  
C'mon  
Wanna pull an all nighter and get into  
something we'll never forget  
Wanna stay up and party the weekend  
away and not know when to quit  
Wanna drive in the night till the end of  
the earth and go over the edge  
Wanna wake up with you and say baby  
let's do it all over again  
Lips so good I forget my name  
I swear I could give you everything  
I don't need my love  
You can take it, you can take it, take it  
I don't need my heart  
You can break it, you can break it,

break it  
I just can't get too much of you, baby  
It's never, it's never enough  
Never enough  
It's never enough  
Never enough  
C'mon  
C'mon  
Too much is never enough  
Too much is never enough  
Too much is never enough  
Too much...  
Too much is never enough  
Too much is never enough  
Too much is never enough  
Too much is never enough  
I don't need my love.  
You can take it, you can take it, take it  
I don't need my heart  
You can break it, you can break it,  
break it  
I just can't get too much of you, baby  
It's never, it's never enough  
Never enough  
I don't need my love.  
You can take it, you can take it, take it  
I don't need my heart  
You can break it, you can break it,  
break it  
I just can't get too much of you, baby  
It's never, it's never enough  
Never enough  
It's never enough  
Never enough.  
C'mon

Olivia – One Direction

Remember the day when we've given  
up  
When you told me I didn't give you  
enough  
And all of your friends were saying I'll  
be leaving you  
She's lying in bed with my t-shirt on  
Just thinking how I went about it wrong  
This isn't the stain of a red wine, I'm  
bleeding love  
Please believe me, don't you see  
The things you mean to me?  
Oh, I love you, I love you  
I love, I love, I love Olivia  
I live for you, I long for you, Olivia  
I've been idolizing the light in your  
eyes, Olivia  
I live for you, I long for you, Olivia  
Don't let me go  
Don't let me go  
Say what you're feeling and say it now  
'Cause I got the feeling you're walking  
out  
And time is irrelevant when I've not  
been seeing you  
The consequences are falling now  
There's something I'm having  
nightmares about  
And these are the reasons I'm crying out  
to be with you  
Please believe me, don't you see  
The things you mean to me?  
Oh, I love you, I love you  
I love, I love, I love Olivia  
I live for you, I long for you, Olivia  
I've been idolizing the light in your  
eyes, Olivia  
I live for you, I long for you, Olivia  
Don't let me go  
Don't let me go

When you go and I'm alone  
You live in my imagination  
The summertime and butterflies  
All belong to your creation  
I love you, it's all I do  
I love you  
I live for you, I long for you, Olivia  
I've been idolizing the light in your  
eyes, Olivia  
I live for you, I long for you, Olivia  
Don't let me go  
Don't let me go  
Don't let me go

## Perfect – One Direction

I might never be your knight in shining  
armour  
I might never be the one you take home to  
mother  
And I might never be the one who brings  
you flowers  
But I can be the one, be the one tonight  
When I first saw you from across the  
room  
I could tell that you were curious, oh,  
yeah  
Girl, I hope you're sure what you're  
looking for  
'Cause I'm not good at making promises  
But if you like causing trouble up in hotel  
rooms  
And if you like having secret little  
rendezvous  
If you like to do the things you know that  
we shouldn't do  
Then, baby, I'm perfect  
Baby, I'm perfect for you  
And if you like midnight driving with the  
windows down  
And if you like going places we can't  
even pronounce  
If you like to do whatever you've been  
dreaming about  
Then, baby, you're perfect  
Baby, you're perfect  
So let's start right now  
I might never be the hands you put your  
heart in  
Or the arms that hold you any time you  
want them  
But that don't mean that we can't live here  
in the moment  
'Cause I can be the one you love from  
time to time  
When I first saw you, from across the  
room  
I could tell that you were curious, oh,  
yeah

Girl, I hope you're sure what you're  
looking for  
'Cause I'm not good at making promises  
But if you like causing trouble up in hotel  
rooms  
And if you like having secret little  
rendezvous  
If you like to do the things you know that  
we shouldn't do

Baby, I'm perfect for you  
And if you like midnight driving with the  
windows down  
And if you like going places we can't  
even pronounce  
If you like to do whatever you've been  
dreaming about  
Then, baby, you're perfect  
Baby, you're perfect  
So let's start right now  
And if you like cameras flashing every  
time we go out, oh, yeah  
And if you're looking for someone  
To write your breakup songs about  
Baby, I'm perfect  
Baby, we're perfect  
If you like causing trouble up in hotel  
rooms  
And if you like having secret little  
rendezvous  
If you like to do the things you know that  
we shouldn't do  
Then, baby, I'm perfect

So let's start right now

## What a Feeling – One Direction

Through the wire, through the wire,  
through the wire  
I'm watching her dance  
Dress is catching the light  
In her eyes there's no lies, no lies  
There's no question, she's not in a  
disguise  
There's no way out and a long way  
down  
Everybody needs someone around  
But I can't hold you, too close now  
Through the wire, through the wire  
What a feeling to be right here beside  
you now  
Holding you in my arms  
When the air ran out and we both  
started running wild  
The sky fell down  
But you've got stars in your eyes  
And I've got something missing tonight  
What a feeling to be a king beside you,  
somehow  
I wish I could be there now  
Through the wire, through the wire,  
through the wire  
I'm watching you like this imagining  
you're mine  
It's too late, it's too late, am I too late?  
Tell me now, am I running out of time?  
There's no way out and a long way  
down  
Everybody needs someone around  
But I can't hold you, too close now  
Through the wire, through the wire  
What a feeling to be right here beside  
you now  
Holding you in my arms  
When the air ran out and we both  
started running wild  
The sky fell down  
But you've got stars in your eyes

And I've got something missing tonight  
What a feeling to be a king beside you,  
somehow  
I wish I could be there now  
Whatever chains are holding you back  
Holding you back, don't let 'em tie you  
down  
Whatever chains are holding you back  
Holding you back, tell me you believe  
in that  
What a feeling to be right here beside  
you now  
Holding you in my arms  
When the air ran out and we both  
started running wild  
The sky fell down  
But you've got stars in your eyes  
And I've got something missing tonight  
What a feeling to be a king beside you,  
somehow  
I wish I could be there now  
I wish I could be there now
