[VERY USEFUL AND EFFECTIVE HADITH]

Dua by an ill person

Prophet Mohammad (SAW.) said that if an ill person recites the following dua forty times and dies in that illness, he will be **rewarded as a martyr** and if he regains his health, all his sins will be forgiven:

لَا إِلَهَ إِلَّا أَنْتَ سُبْحَانَكَ إِنِّي كُنْتُ مِنَ الظَّالِمِينَ

"There is none worthy of worship besides You O Allah, You are pure, I have oppressed my soul".  
(Mustadrak)

In another hadith Prophet Mohammad (SAW.) said that if a person recites the following dua during his illness and dies, then the fire of Jahannam is forbidden for him..

The screenshot shows a Facebook interface. The page is titled "(64) Dr Zakir Naik Fan Club Official". The main content of the post is a quote: "Prophet Muhammad said: 'If a person had a stream outside his door and he bathed in it five times a day, do you think he would have any filth left on him?' The people said, 'No filth would remain on him whatsoever.' Prophet Muhammad then said, 'That is like the five daily prayers: Allah wipes away the sins by them.'" (Sahih al Bukhari, Muslim). Below this is another quote: "Prophet Muhammad said: 'Salah is a pillar of the religion (Islam). He who establishes it, establishes religion; and he who destroys it, destroys religion.'" (Tabrani). ““The Prophet stated in a sahih hadith from Muslim: “There are two types of the people of Hell whom I have not seen: men in whose hands are whips like the tails of cattle,,,” “.....and women who are clothed yet naked, maa’ilaat mumeelaat, with their heads like the humps of camels, tilted to one side. They will not enter Paradise nor even smell its fragrance.”

style, with people layering their scarves and using hair clips to create big, camel hump hijab styles. This is not only a deception but also a form of Tabarruj which is not only contradictory to the rules of hijab but also a destructive sin in the Sight of Allah swt.

This post is not meant as a judgement on any sister or her intentions for wearing the hijab but insha'Allah is a reminder as many of us are not aware of the gravity of such fashions and the affect it could have on our akhira.

The Prophet (صلى الله عليه وسلم) stated in a sahih hadith from Muslim:

**“There are two types of the people of Hell whom I have not seen: men in whose hands are whips like the tails of cattle, with which they beat the people, and women who are clothed yet naked, maa’ilaat mumeelaat, with their heads like the humps of camels, tilted to one side. They will not enter Paradise nor even smell its fragrance.”**

This is a stern warning to beware of the things referred to.

With regard to the phrase, “their heads are like the heads of camels, tilted to one side,” some of the scholars said that this means they make their heads look big because of the hairstyles they adopt and so on, so that it looks like the hump of a bakht
