## **LAMPIRAN-LAMPIRAN**

Lampiran 1. Lembar Penjelasan Penelitian dan Persetujuan Responden

Assalamu'alaikum Warahmatullahi Wabarakatuh, selamat pagi/siang/sore/malam.

Kepada yang terhormat, Calon Responden.

Perkenalkan saya A. Hilyatul Aulia dengan NIM R011181313, yang merupakan mahasiswa tingkat akhir program studi Ilmu Keperawatan Fakultas Keperawatan Universitas Hasanuddin.

Dalam hal ini peneliti bermaksud akan melakukan penelitian dengan judul “Gambaran Perilaku Siswa SMAN 5 Makassar Pada Penerapan Protokol Kesehatan COVID-19 Selama Pertemuan Tatap Muka (PTM) di Sekolah”. Saya selaku peneliti memohon kesediaan adik/siswa/i secara sukarela untuk dapat berpartisiasi sebagai responden dalam penelitian ini, yang akan menghabiskan waktu ± 15 menit untuk mengisinya.

Bagi calon responden, penelitian ini bermanfaat untuk mengetahui perilaku dikalangan siswa akan penerapan protokol kesehatan selama PTM secara seratus persen di sekolah. Adapun dilakukannya penelitian tidak akan menimbulkan risiko atau akibat yang merugikan bagi calon responden. Selain itu, segala informasi yang akan diperoleh dari jawaban seluruh calon responden akan dirahasiakan, tidak disebarluaskan dan hanya diketahui oleh peneliti seorang untuk dipergunakan dalam kepentingan penelitian, sehingga calon responden tidak perlu merasa khawatir akan pilihan jawaban yang ingin dijawab murni secara pribadi.

Sekiranya ada hal-hal yang membingungkan terkait penelitian ini, silahkan hubungi saya (A. Hilyatul Aulia/WA: 0811463627). Jika adik/siswa/i bersedia

menjadi responden dan terlibat dalam penelitian, peneliti meminta tolong kesediaannya untuk menandatangani lembar persetujuan berikut ini:

Saya yang bertanda tangan di bawah ini:

Nama (boleh inisial) : .....

NISN : .....

Kelas : .....

Nomor HP responden (WA) : .....

Setelah dijelaskan dan membaca penjelasan yang lengkap terkait penelitian ini sebelumnya oleh peneliti, secara sadar sepenuhnya, sukarela dan tanpa paksaan apapun, dengan ini saya menyatakan bersedia berpartisipasi dalam penelitian yang berjudul “Gambaran Perilaku Siswa SMAN 5 Makassar Pada Penerapan Protokol Kesehatan COVID-19 Selama Pertemuan Tatap Muka (PTM) di Sekolah” dan menandatangani kesediaan saya sebagai responden:

Makassar, ...../.....2022

(TTD, )

Lampiran 2. Kuisioner Data Demografi Siswa

**Petunjuk Pengisian:**

- Isilah jawaban dari tiap nomor dibawah ini mengenai informasi diri anda dengan benar hingga selesai
- Bila terdapat pilihan kotak (ssss), isilah dengan tanda centang (✓) pada satu pilihan kotak saja, bila salah memilih berikan garis mendatar didalam kotak, lalu centang lah jawaban yang baru pada pilihan kotak lainnya.

1. Nama (NISN) : .....
2. Usia :  16 tahun  17 tahun  18 tahun  lainnya:...
3. Jenis kelamin :  Perempuan  Laki-laki
4. Kelas :  10  11  12
5. Status vaksinasi COVID-19:  
 Sudah vaksin COVID-19 dosis pertama & kedua  
 Sudah vaksin COVID-19 hanya dosis pertama  
 Sudah vaksin COVID-19 hingga ketiga (*booster*)  
 Belum pernah sama sekali vaksin COVID-19
6. Gejala COVID-19:  Saya tidak merasakan gejala COVID-19  
 Saya merasa sedang batuk/sakit tenggorokan/pilek/demam (minimal salah satu gejala)

Lampiran 3. Instrumen Penelitian

**A. Lembar Observasi Perilaku Penerapan Protokol Kesehatan COVID-19 selama PTM di Sekolah**

**Petunjuk Pengisian:**

Perilaku kepatuhan penerapan protokol kesehatan COVID-19 selama PTM di sekolah, berdasarkan SKB 4 Menteri Revisi Mei 2022 oleh (Kemendikbudristek, 2022b).

No.	Standar Perilaku	Jumlah (1 – 10)	Bobot	Skor (J x B)
A.	Area Ruang Kelas/Belajar Dari 10 siswa yang dipantau:			
1.	Jumlah siswa yang menggunakan masker dengan benar (masker menutup hidung, mulut, dagu)		3	
2.	Jumlah siswa yang menerapkan jaga jarak		1	
B.	Area Pintu Gerbang Dari 10 siswa yang dipantau:			
1.	Jumlah siswa yang menggunakan masker dengan benar (masker menutup hidung, mulut, dagu)		3	
2.	Jumlah siswa yang menerapkan jaga jarak		1	
3.	Jumlah siswa yang melakukan CTPS dengan air mengalir atau menggunakan <i>hand sanitizer</i>		2	
	Total Skor

Lampiran 10. Dokumentasi

Lampiran 11. Hasil Wawancara

Pertanyaan ke-1	Kuotasi	Koding	Kategori	Tema
Bagaimana perasaan Anda selama berada di lingkungan sekolah yang kembali dihadiri 100% siswanya yang mungkin saja berisiko COVID-19 dengan aturan penerapan protokol kesehatan COVID-19?	<p>P.1: "<i>Tidak merasa khawatir, biasa saja</i>"</p> <p>P.2: "<i>Kalau saya sendiri biasa-biasa saja, awalnya sempat khawatir saat pertama kali kembali ke sekolah di bulan Juli tahun lalu, karena kasus COVID-19 masih tinggi-tingginya disitu, tapi sekarang tidak lagi kan jadi tidak khawatir</i>"</p>	Tidak khawatir selama berada di sekolah	Perasaan negatif tidak terancam selama berada di lingkungan sekolah	Reaksi negatif dalam menerapkan protokol kesehatan COVID-19
	<p>P.1: "<i>Tapi kalau di luar kelas, karena sudah bosan terlalu mengikuti aturannya</i>"</p> <p>P. 2 : "<i>Lama-lama sudah bosan juga, jadi tidak pakai masker, tidak ada juga penyakit didapat, berinteraksi seperti biasanya saja, karena sudah kembali ke normal</i>"</p>	Bosan menerapkan protokol kesehatan COVID-19	Persepsi negatif kebosanan menerapkan protokol kesehatan di Sekolah	
	<p>P. 1: "<i>Tapi memang Corona belum full 100% hilang, jadi sebaiknya memang harus masih menerapkan protokol kesehatan di sekolah pake masker, jaga jarak sama cuci tangan</i>"</p>	Setuju perlu menerapkan protokol kesehatan COVID-19	Persepsi positif perlu menerapkan protokol kesehatan	Reaksi positif dalam menerapkan protokol kesehatan COVID-19

Pertanyaan ke-2	Kuotasi	Koding	Kategori	Tema
Selama PTM seratus persen di sekolah, apa terdapat fasilitas yang mendukung penerapan protokol kesehatan COVID-19 menjadi lebih tertib? Apa berfungsi dengan baik dapat digunakan? contohnya seperti apa?	<p>P.1: <i>"Ada dan berfungsi, kayak tempat cuci tangan sama sabun khusus bagian dekat lapangan, lainnya di depan ruangan BK, sama beberapa di depan kelas"</i></p> <p>P.2: <i>"Sudah ada, seperti tempat cuci tangan sama sabunnya beberapa di dalam sekolah, di pos satpam ada hand sanitizer. Iya berfungsi semua."</i></p>	Terdapat fasilitas CTPS yang berfungsi	Terdapat dukungan fasilitas CTPS yang berfungsi di Sekolah	Pemanfaatan fungsi dan fasilitas penerapan protokol kesehatan COVID-19 di sekolah belum memadai
	<p>P.1: <i>"Tapi pas datang atau pulang, sudah jarang sekali digunakan yang disediakan khusus itu sama siswa"</i></p>	Fasilitas CTPS tidak difungsikan	Siswa mengabaikan fasilitas CTPS di Sekolah	
	<p>P.1: <i>"Kalau masker memang bawa sendiri, tidak ada disediakan sama sekolah jadi kalau ada yang terlanjur tidak bawa maskernya tidak di kasih"</i></p> <p>P.2: <i>"Kalau masker masing-masing siswa yang bawa sendiri"</i></p>	Masker bawa masing-masing	Tidak terdapat dukungan kesediaan masker bagi siswa yang tidak menggunakannya	

Pertanyaan ke-3	Kuotasi	Koding	Kategori	Tema
Selama di lingkungan sekolah, bagaimana hambatan untuk menerapkan protokol kesehatan dengan patuh? Seperti apa hambatannya?	P.1: "Kesulitannya itu pas di dalam kelas lagi panas, <b>jadi kadang tidak bebas bernapasnya sama berkeringat di dalam masker buat kita tidak nyaman, jadi dilepas maskernya"</b>  P.2: " <b>Terus susah berinteraksi juga, jangan terlalu kaku menggunakan masker karena tidak dikenal mukanya sama orang-orang</b> "	Masker mengganggu interaksi	Penerapan masker menghambat interaksi antar siswa	Kesukaran berinteraksi menghambat penerapan protokol kesehatan COVID-19
	P.2: " <b>Lama-lama dirasa kayak apa yaa, sudah biasa mungkin ini pemerintah cuman kasih takut-takut supaya bisa mereka jual masker dan vaksinnya, terus laku dapat untung untuk mereka.</b> Jadi mending hidup biasa saja, sudah normal seperti sebelum pandemi"	Kepercayaan kepentingan politik pemerintah	Isu kepentingan pribadi politik pemerintah	Kurangnya kepercayaan pada pembuat kebijakan menghambat penerapan protokol kesehatan COVID-19
	P.1: " <b>Kalau yang tidak menerapkan mungkin belum rasa dampaknya</b> "  P.2: " <b>Toh tidak terlalu berdampak penyakitnya di diri kita.</b> "	Tidak terasa parah dampak penyakitnya	Ancaman keparahan penyakit COVID-19 tidak terasa/terlihat	Kondisi diri yang sebabkan kurang menerapkan protokol kesehatan COVID-19
	P.2: " <b>Terus juga karena sudah vaksin kedua, sudah bebas</b>	Sudah vaksin COVID-19	Siswa telah melakukan vaksinasi COVID-19 dosis kedua	

<i>dirasa dari harus menerapkan protokol kesehatan”</i>		
---	--	--

Pertanyaan ke-4	Kuotasi	Koding	Kategori	Tema
Selama di lingkungan sekolah, bagaimana dengan dukungan orang lain dalam menerapkan protokol kesehatan COVID-19? Apa ada dukungan/support dari sekolah (guru), teman sekolah? Seperti apa bentuk dukungannya?	P.1: “ <i>Kalau gurunya cuek, mereka saja kalau mengajar sekarang lebih banyak yang tidak menggunakan masker, malahan kalau mengabsen gurunya sendiri suruh buka maskernya supaya wajah siswanya bisa dilihat-lihat</i> ” P.2: “ <i>Guru-guru itu lebih banyak sudah tidak pakai masker, cuman beberapa yang memakai masker. Kalau misalkan mereka tidak pakai masker, kita sebagai siswa juga tidak masker</i> ”	Tidak ada dukungan guru	Tidak ada lagi peringatan dari guru untuk patuh menerapkannya selama PTM seratus persen	Dukungan guru untuk menerapkan protokol kesehatan COVID-19 PTM seratus persen kurang menunun
	P.1: “ <i>Kalau teman dekat ku ada, karena kebetulan lagi musim sakit kayak flu/batuk teman-teman kelas ku, jadi diingatkan kayak pakai maskernya terus daripada ketularan</i> ”	Ada dukungan teman mengingatkan	Dukungan dari teman dekat dapat membuat lebih patuh menerapkannya	Dukungan teman berupa ajakan untuk menerapkan protokol kesehatan COVID-19

Pertanyaan ke-5	Kuotasi	Koding	Kategori	Tema
Bagaimana dengan pengawasan warga sekolah (guru, pegawai) terkait penerapan protokol kesehatan COVID-19 di lingkungan sekolah? Bagaimana perihal teguran dari pihak pengawas? Apa yang tidak mematuhi protokol kesehatan COVID-19 diberikan hukuman?	<p>P.1: “<i>Kalau saya, sesama siswa tidak juga saling menegur ingatkan, Yasudah kan pada akhirnya kembali ke awal, kayak sendiri-sendiri saja begitu pilihan pribadi teman lain mau menerapkan atau tidak</i>”</p> <p>P.2: “<i>Kalau diantara sesama teman, mungkin masing-masing saja tidak perlu saling menegur atau mengingatkan, tergantung tiap orangnya saja</i>”</p> <p>P.1: “<i>Guru tidak lagi menegur, dulu waktu awal-awal masuk PTM memang lebih ketat gurunya menegur, kalau ada yang tidak pakai masker ditegur, tapi sekarang tidak lagi. Sekarang mungkin sudah bebas sekali, gurunya saja tidak pakai masker</i>”</p> <p>P.2: “<i>Sudah jarang sekali guru menegur, palingan menegur pas kelihatan ada teman sakit batuk-batuk untuk pakai maskernya tapi jarang sekali itu</i>”</p>	Tidak menegur sesama siswa	Sesama siswa mengabaikan siswa yang tidak menerapkannya	Tidak terdapat pengawasan dan hukuman dari warga sekolah terhadap siswa yang tidak menerapkan protokol kesehatan COVID-19

	<p>P.1: “<i>Tidak ada hukuman, Sekarang mungkin sudah bebas sekali, gurunya saja tidak pakai masker</i>”</p> <p>P.2: “<i>Tidak ada hukumannya</i>”</p>	Tidak terdapat hukuman	Siswa yang tidak menerapkannya tidak diberi hukuman	
--	--	------------------------	---	--
