# LAMPIRAN

## 1. PUBMED

The screenshot shows the PubMed website interface. At the top, there is a navigation bar with the NIH logo and the text 'National Library of Medicine National Center for Biotechnology Information'. A search bar contains the query 'Nursing care OR intervention AND pulmonary OR lungs OR lung AND rehabi'. Below the search bar, there are options for 'Advanced', 'Create alert', 'Create RSS', and 'User Guide'. The search results section shows '461 results' and a 'RESULTS BY YEAR' bar chart with bars for 2020 and 2023. A pop-up box offers 'COVID-19 filters from PubMed Clinical Queries' and 'SARS-CoV-2 literature, sequence, and clinical content from NCBI'. At the bottom, there is a note about filters applied: 'Free full text, Clinical Trial, Randomized Controlled Trial, from 2019 - 2023. Clear all'.

## 2. ProQuest

The screenshot shows the ProQuest website interface. At the top, there is a navigation bar with the ProQuest logo and a 'Log in through your library to access more features.' button. A search bar contains the query 'Nursing care OR intervention AND pulmonary OR lungs OR lung AND rehabilitation AND long COVID-19 OR post COVID-19 OR pasca Covid-19'. Below the search bar, there is a message: 'These are only some of the results you may have access to... Log in through your library or institution to see if you have access to other content.' The search results section shows '603,995 results'. On the left, there are filters for 'Applied filters' (Scholarly Journals, 2019-03-28 - 2023-03-28) and 'Sorted by' (Relevance). The main content area displays two search results with titles, authors, and journal information. The first result is 'A Scoping Review on Long COVID-19: Physiological and Psychological Symptoms Post-Acute, Long-Post and Persistent Post COVID-19' by Surapaneni, Krishna Mohan; Singhal, Manmohan; Saggi, Sofia Rani; Bhatt, Ashruti; Shunmathy, Priya; et al. The second result is 'Application of "TCM + Smart Elderly Care" in the Medical-Nursing Care Integration Service System' by Wang, Xuanxuan; Shi, Huaiying; Guo, Lu; Huang, Zhiping; Zhang, Yichen; et al.

### 3. Wiley Online Library

The screenshot shows the Wiley Online Library search interface. At the top, there is a navigation bar with the Wiley Online Library logo, a search bar containing the query "Nursing Care OR intervention AN", and a "Login / Register" link. Below the search bar, the results section displays "0 results for 'Nursing Care OR intervention AND pulmonary OR lungs OR lung AND rehabilitation AND long COVID-19 OR post COVID-19 OR pasca Covid -19' anywhere". There are options to "SAVE SEARCH" and "RSS". A "Filters" section includes a "Refine Search" dropdown and a "Sorted by: Relevance" dropdown. A message states "Your search did not return any results." The footer contains links for "About Wiley Online Library", "Privacy Policy", "Help & Support", "Contact Us", "Opportunities", "Subscription Agents", and "Connect with Wiley The Wiley Network".

### 4. ScienceDirect

The screenshot shows the ScienceDirect search interface. At the top, there is a navigation bar with the ScienceDirect logo, "Journals & Books" link, and "Register" and "Sign in" buttons. Below the search bar, the results section displays "145,385 results" and "sorted by relevance | date". A "Refine by:" section lists years from 2018 to 2024 with corresponding result counts. The main results list includes a "Research article" titled "Nursing process, derived from the clinical care classification system components, as an earlier indicator of nursing care during a pandemic" and a "Review article" titled "Descriptive Epidemiology of Chronic Obstructive Pulmonary Disease in US Nursing Home Residents With Heart Failure". There is also a "FEEDBACK" button in the bottom right corner.
