BIODATA PENELITI

Muhammad Dzariyat Z. dilahirkan di Makassar, 17 Desember 2000. Saya merupakan alumni SD Inpres Paropo, SMPN 8 Makassar, dan SMAN 5 Makassar. Saya resmi menjadi mahasiswa Fakultas Peternakan Unhas di tahun 2018. Awalnya saya mendaftar di jurusan yang berhubungan dengan komputer, tetapi takdir mengantarkan saya pada Fakultas Peternakan dan semakin lama saya semakin menyukai jurusan ini. Sebagai mahasiswa, saya aktif mengikuti kegiatan organisasi kemahasiswaan khususnya Fossil, Humanika, dan GenBI. Saya juga aktif menjadi asisten di Laboratorium Pemuliaan dan Genetik Ternak. Saya sangat suka belajar dan berkompetisi, maka dari itu saya sangat sering mengikuti kompetisi di berbagai bidang seperti KTI, desain, video, dan lain-lain. Total kompetisi dan program yang saya ikuti adalah sekitar 50 dan berhasil menjadi juara/terpilih kurang lebih 20 kegiatan. Dari semua kegiatan tersebut, yang paling berkesan adalah PIMNAS 32, PKL *feedlot* di Lampung, dan magang sapi di Australia. Selain itu saya juga sudah menghasilkan 2 buku ber-ISBN dan 1 prosiding. Kegiatan-kegiatan lengkap saya dapat dilihat di LinkedIn ([linkedin.com/in/muhammad-dzariyat](https://www.linkedin.com/in/muhammad-dzariyat)).
