APPENDIX

SONG LYRICS

1. Easy on Me

Verse I

There ain't no gold in this river
That I've been washin' my hands in forever
I know there is hope in these waters
But I can't bring myself to swim
When I'm drowning in this silence
Baby, let me in

Chorus

Go easy on me, baby
I was still a child
Didn't get the chance to
Feel the world around me
I had no time to choose
What I choose to do
So go easy on me

Verse II

There ain't no room for things to change

When we we are both so deeply stuck in our ways

You can't deny how hard I have tried

I changed who I was to put you both first

But now I give up

Chorus

Go easy on me, baby

I was still a child

Didn't get the chance to

Feel the world around me

I had no time to choose

What I choose to do

So go easy on me

Bridge

I had good intentions

And the highest hopes

But I know right now

That probably doesn't even show

Chorus

Go easy on me, baby

I was still a child

Didn't get the chance to
Feel the world around me
I had no time to choose
What I choose to do
So go easy on me

2. Cry Your Heart Out

Cry your heart out, it'll clean your face
When you're in doubt, go at your own pace
Cry your heart out, it'll clean your face
When you're in doubt, go at your own pace

Verse I

When I walk in a room, I'm invisible
I feel like a ghost
All my friends keep on tellin' me that
This feeling won't last, mm
I can't get no relief, I'm so tired of myself
I swear I'm dead in the eyes
I have nothin' to feel no more, I can't even cry

Pre-Chorus

When will I begin to feel like me again?

I'm hanging by a thread

My skin paper thin, I can't stop wavering

I've never been more scared

Chorus

Cry your heart out, it'll clean you face

When you're in doubt, go at your own pace

Cry your heart out, it'll clean your face

When you're in doubt, go at your own pace

Verse II

When I wake up, I'm afraid of the idea

Of facin' the day

I would rather stay home on my own

Drink it all away

Please stop callin' me, it's exhausting

There's really nothin' left to say

I created thi storm, it's only fair if I have to sit in its rain

Pre-Chorus

When will I begin to feel like me again?

I'm hanging by a thread

My skin paper thin, I can't stop wavering

I've never been more scared

Chorus

Cry your heart out, it'll clean your face

When you're in doubt, go at your own pace

Cry your heart out, it'll clean your face

When you're in doubt, go at your own pace

Bridge

All love is devout, no feeling is a waste

But keep it to yourself now, before it's too late

In the end it's just you, stop drowning in wait

Your love is useless without it

Cry your heart out, it'll clean your face

When you're in doubt, go at your own pace

3. Oh My God

Verse I

I ain't got too much time to spare

But I'll make time for you to show how much I care

Wish that I would let you break my walls

But I'm still spinning out of control from the fall

Boy, you give good love, I won't lie

It's what keeps me coming back, even though I'm terrified

Pre-Chorus

I know that it's wrong

But I want to have fun

Mmh, yeah

Mmh, yeah

I know that it's wrong

But I want to have fun

Mmh, yeah

Mmh, yeah

Chorus

Oh my God, I can't believe it

Out of all the people in the world

What is the likelihood of jumping out of my life and into your arms?

Maybe, baby, I'm just losing my mind

'Cause this is trouble, but it feels right

Teetering on the edge of heaven and hell is a battle that I cannot fight

Verse II

I'm a fool, but they all think I'm blind
I'd rather be a fool than leave myself behind
I don't have to explain myself to you
I am a grown woman and I do what I want to do

I know that it's wrong
But I want to have fun
Mmh, yeah
Mmh, yeah

I know that it's wrong
But I want to have fun
Mmh, yeah
Mmh, yeah

Chorus

Oh my God, I can't believe it
Out of all the people in the world
What is the likelihood of jumping out of my life and into your arms?
Maybe, baby, I'm just losing my mind
'Cause this is trouble, but it feels right
Teetering on the edge of heaven and hell is a battle that I cannot fight

Bridge

Lord don't let me, I said Lord don't let me

I said Lord don't let me let me down

(4x)

Oh my God, I can't believe it

Out of all the people in the world

What is the likelihood of jumping out of my life and into your arms?

Maybe, baby, I'm just losing my mind

'Cause this is trouble, but it feels right

Teetering on the edge of heaven and hell is a battle that I cannot fight

Lord don't let me, I said Lord don't let me

I said Lord don't let me let me down

(4x)

4. Can I Get It

Verse I

Pave me a path to follow

And I'll tread any dangerous road

I'll beg and I'll steal, I will borrow

If I can make, if I can make your heart my home

Throw me to the water

I don't care how deep or shallow

Because my heart can pound like thunder

And your love, and your love can set me free

Pre-Chorus

I have promised I will love you 'till the end of time

Through it all, the good, the bad, the ugly, and divine

I will be the melody, the rhythm, and your rhyme

All I want is for you to be mine

Chorus

So can I get it right now?

Can I get it right now? (3x)

Let me, let me just come and get it

Can I get it?

Verse II

You tease me with your control

Because I long to live under your spell

And without your love I'm hollow

I won't make it, I won't make it on my own

Pre-Chorus

I have promised I will love you 'till the end of time
Through it all the good, the bad, the ugly, and divine
I will be the melody, the rhythm, and your rhyme
All I want is for you to be mine

Chorus

So can I get it right now?
Can I get it right now? (3x)
Let me, let me just come and get it
Can I get it?

Bridge

When will you run with me?
Like I know you wanna?
You're the one for me
And I'm counting on you
To put the pieces of me back together

So can I get it right now?
Can I get it right now? (3x)
Let me, let me just come and get it

5. I Drink Wine

Verse I

How can one become so bounded
By choices that somebody else makes?
How come we've both become a version
Of a person we don't even like?

We're in love with the world
But the world just wants to bring us down
By putting ideas in our heads
That corrupt our hearts somehow

When I was a child
Every single thing could blow my mind
Soaking it all up for fun
But now I only soak up wine

They say to play hard, you work hard
Find balance in the sacrifice
Yet I don't know anybody
Who's trully satisfied

Pre-Chorus

You better believe I'm trying
To keep climbing
But the higher we climb
Feels like we're both none the wiser

Chorus

So I hope I learn to get over myself
Stop trying to be somebody else
So we can love each other for free
Everybody wants something
You just want me

Verse II

Why am I obsessing
About the things I can't control?
Why am I seeking approval
From people I don't even know?

In this crazy times I hope to find
Something I can cling on to
'Cause I need some substance in my life
Something real, something that feels true

Chorus

So I hope I learn to get over myself

Stop trying to be somebody else

So we can love each other for free

Everybody wants something

You just want me

Bridge

Listen, I know how low I can go

I give as good as I get

You get the brunt of it all

'Cause you're all I've got left

Oh, I hope in time (we both find) peace of mind

Sometimes the road less traveled

Is a road best left behind

Chorus

So I hope I learn to get over myself

Stop trying to be somebody else

So we can love each other for free

Everybody wants something

You just want me

Refrain

You better believe I'm trying
To keep climbing
But the higher we climb
Feels like we're both none the wiser

Outro

The only regret I have
I wish that it was just at a different time
A most turbulent period of my life
Why would I put that on you?
That's just like a very heavy thing to have to talk about
But because of that period of time
Even though it was so much fun
I didn't get to go on and make new memories with him
There was just memories in a big storm

6. All Night Parking

Verse I

I know you've got things to do
I just want to spend all my time with you
I'm so hard to impress
Don't leave me on this stretch alone

When I'm out at a party
I'm just excited to get home

Chorus

And dream about you
All night long

Verse II

I don't know how you got through to me
It's all happening so easily (like, "Oh my God")
It's so hard to digest
Usually, I'm best alone
But every time that you text
I want to get on the next flight home
And dream next to you
All night long

Maybe it's the way you remind me of (where I come from)
Or how you make me feel beautiful (and then some)
The sight of you is dramatic
One glimpse and I panic inside
I get lost in our hours
'Cause you possess powers I can't fight

That's why I dream about you

All night long

All night long

All night

7. Woman Like Me

Verse I

You're driving me away, give me a reason to stay

I want to be lost in you, but not in this way

Don't think you quite understand who you have on your hands

How can you not see just how good for you I am?

I know that you've been hurt before, that's why you feel so insecure

I begged you to let me in, 'cause I only want to be the cure

If you don't choose to grow, we ain't ever gonna know

Just how good this could be

I really hoped that this would go somewhere

Chorus

Complacency is the worst trait to have, are you crazy?

You ain't never had, ain't never had a woman like me

It is so sad, a man like you could be so lazy

Consistency is the gift to give for free, and it is key

To ever keep, to ever keep a woman like me

Verse II

All you do is a complain about decisions you make

How can I help lift you if you refuse to activate the life that you trully
want?

I know it's hard, but it's not

We come from the same place, but you will never give it up

It's where they make you feel powerful

That's why you think I make you feel small

But that's your projection, it's not my rejection

I put my heart on the line for the very first time

Because you asked me to, and now you've gone and changed your mind

But loving you was a breakthrough

I saw what my heart can really do

Now some other man will get the love I have for you

'Cause you don't care

Chorus

Complacency is the worst trait to have, are you crazy?

You ain't never had, ain't never had a woman like me

It is so sad, a man like you could be so lazy
Consistency is the gift to give for free, and it is key
To ever keep, to ever keep a woman like me

Outro

A woman like me, one more time
Complacency is the worst trait to have, are you crazy?
You ain't never had, ain't never had a woman like me
It is so sad, a man like you could be so lazy
Consistency is the gift to give for free, and it is key

8. Hold On

Hold on
You are still strong
Love will soon come
Just hol, hold on

Verse I

Oh, what have I done yet again?
Have I not learned anything?
I don't want to live in chaos
It's like a ride that I want to get off
It's hard to hold on onto who I am

When I'm stumbling in the dark for a hand
I am so tired of battling with myself
With no chance to win

Chorus

Hold on
Let time be patient
You are still strong
Let pain be gracious
Love will soon come
Just hold, hold on

Verse II

I swear to God, I am such a mess
The harder that I try, I regress
I'm my own worst enemy
Right now I trully hate being me
Every day feels like the road I'm on
Might just open up and swallow me whole
How do I feel so mighty small
When I'm struggling to feel at all?

Chorus

Just hold on

Let time be patient

You are still strong

Let pain be gracious

Just hold on

Hold on

Bridge

Sometimes loneliness is the only rest we get

And the emptiness actually lets us forget

Sometimes forgiveness is easiest in secret

Chorus

Just hold on

Let time be patient

You are still strong

Let pain be gracious

Just hold on

Hold on

Outro

Hold on, hold on, hold on, hold on

Just let time be patient

'Cause you're still strong

You're still strong

Just be gracious
Love will soon come
If you just hold on, mm
Just be patient, just be patient

9. To be Loved

Verse I

I built a house for love to grow
I was so young that it was hard to know
I'm as lost now as I was back then'
Always make a mess of everything
It's about time that I face myself
All I do is bleed into someone else
Painting walls with my secret tears
Filling rooms with all my hopes and fears

Pre-Chorus

But oh my, oh my
I'll never learn if I never leap
I'll always yearn if I never speak

Chorus

To be loved and love at the highest count
Means to lose all the things I can't live without
Let it be known that I will choose to lose
It's a sacrifice but I can't live a lie
Let it be known, let it be known that I tried

Verse II

I'm so afraid but I'm open wide
I'll be the one to catch myself this time

Trying to learn to lean into it all
Ain't it funny how the mighty fall?
Looking back, I don't regret a thing
Yeah, I took some bad turns that I am owning
I'll stand still and let the storm pass by
Keep my heart safe 'till the time feels right

But oh my, oh my
I'll never learn if I never leap
I'll always yearn if I never speak

Chorus

To be loved and love at the highest count
Means to lose all the things I can't live without
Let it be known that I will choose to lose
It's a sacrifice but I can't live a lie
Let it be known

Bridge

Let it be known that I cried for you
Even started lying to you
What a thing to do
All because I wanted

To be loved and love at the highest count
Means to lose all the things I can't live without
Let it be known that I will choose to lose
It's a sacrifice but I can't live a lie
Let it be known

Let it be known that I tried, that I tried

Let it be known that I tried

10. Love is a Game

Verse I

All your expectations of my love are impossible

Surely, you know

That I'm not easy to hold

It's so sad how incapable

Of learning to grow I am

My heart speaks in puzzle and codes

I've been trying my whole life to solve

God only knows how I've cried

I can't take another defeat

A next time would be the ending of me

Now that I see

Chorus

That love is a game for fools to play

And I ain't fooling

What a cruel thing

To self-inflict

Verse II

How unbelievable

Of me to fall for the lies that I tell?

The dream that I sell

When my heartache, it's inevitable

But I'm no good at doing it well

No that I care

Why should anything about it be fair?

Chorus

That love is a game for fools to play
And I ain't fooling
What a cruel thing
To self-inflict

Bridge

No amount of love
Can keep me satisfied
I can't keep up
When I keep changing my mind
The feelings flood me to the heights of no compromise

Love is a game for fools to play
And I ain't fooling
What a cruel thing
To self-inflict that pain
(2x)

I can love me
I can love again
I love me now like I loved him
I'm a fool for that
You know I, you know I'm gonna do it
I'd do it all again, like I did it
