Lyric of the songs

a. “We Will Not Go Down” (Song for Gaza) by Michael Heart

A blinding flash of white light
Lit up the sky over Gaza tonight
People running for cover
Not knowing whether they're dead or alive
They came with their tanks and their planes
With ravaging fiery flames
And nothing remains
Just a voice rising up in the smoky haze
We will not go down
In the night without a fight
You can burn up our mosques
And our homes and our schools
But our spirit will never die
We will not go down
In Gaza tonight
Women and children alike
Murdered and massacred night after night
While the so-called leaders of countries afar
Debated on who's wrong or right
But their powerless words were in vain
And the bombs fell down like acid rain
But through the tears and the blood and the pain
You can still hear that voice through the smoky haze
We will not go down
In the night without a fight
You can burn up our mosques
And our homes and our schools
But our spirit will never die
We will not go down
In Gaza tonight
We will not go down
In the night without a fight
You can burn up our mosques

And our homes and our schools
But our spirit will never die
We will not go down
In the night without a fight
We will not go down
In Gaza tonight

b. “Earth” song by Lil Dicky

[Intro: Lil Dicky]

What up, world?

It's your boy, just one of the guys down here

Well, I could be more specific

Uh, I'm a human

And I just wanted to, you know

For the sake of all of us earthlings out there

Just wanted to say:

[Chorus: Lil Dicky]

We love the Earth, it is our planet

We love the Earth, it is our home

We love the Earth, it is our planet

We love the Earth, it is our home

[Justin Bieber]

Hi, I'm a baboon

I'm like a man, just less advanced

And my anus is huge

[Ariana Grande]

Hey, I'm a zebra

No one knows what I do, but I look pretty cool

Am I white or black?

[Halsey]

I'm a lion cub

And I'm always getting licked (Meow)

[Zac Brown]

How's it going? I'm a cow (Moo)

You drink milk from my tits (Moo)

[Brendon Urie]

I'm a fat fuckin' pig

[Hailee Steinfeld]

I'm a common fungus

[Wiz Khalifa]

I'm a disgruntled skunk, shoot you out my
butthole

[Snoop Dogg]

I'm a marijuana plant, I can get you fucked
up

[Kevin Hart]

And I'm Kanye West

[Chorus: Lil Dicky]

We love the Earth, it is our planet

We love the Earth, it is our home

We love the Earth, it is our planet

We love the Earth, it is our home

We love the Earth

[Adam Levine]

Ba-dum-ba-dum-dum, ba-dum-da-di

We are the vultures, feed on the dead

[Shawn Mendes]

We're just some rhinos, horny as heck

[Charlie Puth]

I'm just a giraffe, what's with this neck?

[Sia]

Hippity-hop, I'm a kangaroo

I hop all day, up and down with you

[Miley Cyrus]

I'm an elephant, I got junk in my trunk

[Lil Jon]

What the fuck? I'm a clam!

[Rita Ora]

I'm a wolf, howl!

[Miguel]

I'm a squirrel lookin' for my next nut

[Katy Perry & Lil Dicky]

And I'm a pony, just a freak horse, heh-heh-heh

But, uh, c'mon, get on (Get on), yah!

Giddy up, let's ride

[Lil Yachty]

I'm HPV, don't let me in

[Ed Sheeran]

I'm a koala and I sleep all the time

So what? It's cute

[Meghan Trainor]

We love you, India

[Joel Embiid]

We love you, Africa

[Tory Lanez]

We love the Chinese

[Lil Dicky]

We forgive you, Germany

[Ariana Grande]

Oh, yeah, baby, I love the Earth

I love this planet

[Lil Dicky]

Hey, Russia, we're cool

Hey, Asia, all of you, c'mon

Every one of you from the plains to the Sahara

Let's come together and live

[Chorus: Lil Dicky, (Snoop Dogg), Meghan Trainor, Lil Dicky & Sia, John Legend]

Earth, it is our planet (It's our planet)

We love the Earth (We love the Earth), it is our home (Home)

We love the Earth, it is our planet (It is our planet)

We love the Earth, it is our home

We love the Earth

[Verse 3: Lil Dicky]

I'm a man (Hello?)

Can you hear me? (Anyone out there? Hello?)

I've trudged the Earth for so damn long

And still don't know shit (What's going on?)

I hope it's not a simulation (Huh)

Give each other names like Ahmed and Pedro

And, yeah, we like to wear clothes, girls still look beautiful

And it covers up our human dick (Woo), eat a lot of tuna fish

But these days, it's like we don't know how to act

All these shootings, pollution, we under attack on ourselves

Like, let's all just chill (Hey), respect what we built (Hey)

Like look at the internet! It's cracking as hell

Fellas, don't you love to cum when you have sex? (Ayy)

And I heard women orgasms are better than a dick's (Uh)

So what we got this land for? What we gotta stand for?

Love, and we love the Earth (The Earth)

[Choir]

Hum-dum-dum-dae-dum, hum-dum-dum-dae-dum

[PSY]

우-우-우리는 지구를 사랑해요

[Bad Bunny]

Amamos la tierra

[Kris Wu]

我们爱地球

Outro: Lil Dicky, Ariana Grande & Justin Bieber]

(We love you, we love you)

C'mon everybody, I know we're not all the same

But we're living on the same Earth

(We love you, we love you)

Have you ever been to Earth?

Everyone who is listening has been to Earth, Ariana

(We love you, we love you)

We're not making music for aliens here

Are we gonna die?

You know what, Bieber? We might die

(We love you, we love you)

I'm not going to lie to you

I mean, there's so many people out here who don't think global warming's a real

thing. You know? We gotta save this planet. We're being stupid Unless we get our shit together now

c. “Anti-Hero” song by Taylor Swift

[Verse 1]

I have this thing where I get older,
but just never wiser
Midnights become my afternoons
When my depression works the graveyard shift,
all of the people
I've ghosted stand there in the room

[Pre-Chorus]

I should not be left to my own devices
They come with prices and vices
I end up in crisis
(Tale as old as time)

I wake up screaming from dreaming
One day, I'll watch as you're leaving
'Cause you got tired of my scheming
(For the last time)

[Chorus]

It's me, hi
I'm the problem, it's me
At teatime, everybody agrees
I'll stare directly at the sun, but never in the mirror
It must be exhausting always rooting for the anti-hero

[Verse 2]

Sometimes, I feel like everybody is a sexy baby
And I'm a monster on the hill
Too big to hang out, slowly lurching toward
your favorite city
Pierced through the heart, but never killed

[Pre-Chorus]

Did you hear my covert narcissism I disguise as altruism
Like some kind of congressman?
(A tale as old as time)

I wake up screaming from dreaming
One day, I'll watch as you're leaving
And life will lose all its meaning
(For the last time)

[Chorus]

It's me, hi

I'm the problem, it's me (I'm the
problem, it's me)

At teatime, everybody agrees
I'll stare directly at the sun, but never
in the mirror

It must be exhausting always
rooting for the anti-hero

[Bridge]

I have this dream my daughter-in-law
kills me for the money
She thinks I left them in the will
The family gathers 'round and reads it
and then someone screams out
"She's laughing up at us from Hell"

[Breakdown]

It's me, hi

I'm the problem, it's me

It's me, hi

I'm the problem, it's me

It's me, hi

Everybody agrees, everybody agrees

[Chorus]

It's me, hi (Hi)

I'm the problem, it's me (I'm the
problem, it's me)

d. “Slipping Through My Fingers” song by ABBA

[Verse 1]

Schoolbag in hand,
she leaves home in the early morning
Waving goodbye with an absent-minded smile
I watch her go with a surge of
that well-known sadness
And I have to sit down for a while

[Pre-Chorus]

The feeling that I'm losing her forever
And without really entering her world
I'm glad whenever I can share her laughter
That funny little girl

[Chorus]

Slipping through my fingers all the time
I try to capture every minute
The feeling in it
Slipping through my fingers all the time
Do I really see what's in her mind?
Each time I think I'm close to knowing
She keeps on growing
Slipping through my fingers all the time

[Verse 2]

Sleep in our eyes,
her and me at the breakfast table
Barely awake,
I let precious time go by
Then when she's gone,
there's that odd melancholy feeling
And a sense of guilt I can't deny

[Pre-Chorus]

What happened to the wonderful adventures
The places I had planned for us to go?
(Slipping through my fingers all the time)
(Slipping through my fingers all the time)
Well, some of that we did, but most we didn't and why, I just don't know

[Chorus]

Slipping through my fingers all the time
I try to capture every minute
The feeling in it
Slipping through my fingers all the time
Do I really see what's in her mind?
Each time I think I'm close to knowing
She keeps on growing
Slipping through my fingers all the time

[Bridge]

Sometimes I wish that I could freeze
the picture
And save it from the funny tricks of
time
Slipping through my fingers

[Interlude]

[Outro]

Slipping through my fingers all the time
Schoolbag in hand, she leaves home in
the early morning
Waving goodbye with an absentminded smile

Not sure if you know this
But when we first met
I got so nervous I couldn't speak

In that very moment
I found the one and
My life had found its missing piece

This day I'll cherish
You look so beautiful in white tonight

What we have is timeless
My love is endless
And with this ring I say to the world
You're my every reason you're all that I
believe in
With all my heart I mean every word

Will have and hold you
You look so beautiful in white
And from now 'til my very last breath
This day I'll cherish
You look so beautiful in white tonight

g. “Viva La Vida” by Coldplay

I used to rule the world
Seas would rise when I gave the word
Now in the morning I sweep alone
Sweep the streets I used to own
I used to roll the dice
Feel the fear in my enemy's eyes
Listened as the crowd would sing
Now the old king is dead long live the king
One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand
CHORUS 1

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
Missionaries in a foreign field
For some reason I can't explain
Once you'd gone there was never
Never an honest word
And that was when I ruled the world
It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?

CHORUS 2 (2x)

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
Missionaries in a foreign field
For some reason I can't explain
I know St Peter won't call my name
Never an honest word
But that was when I ruled the world

h. “Paradise” by Coldplay

When she was just a girl
She expected the world
But it flew away from her reach
So she ran away in her sleep, and dream of
Para-para-paradise (3x)
Every time she closed her eyes
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh (4x)
When she was just a girl
She expected the world
But it flew away from her reach
And the bullets catch in her teeth
Life goes on, it gets so heavy
The wheel breaks the butterfly
Every tear, a waterfall
In the night, the stormy night, she'd close her eyes
In the night, the stormy night, away she'd fly
And dream of para-para-paradise
Para-para-paradise (3x)
She'd dream of para-para-paradise
Para-para-paradise (3x)
La, la-la, la-la-la (2x)
And so lying underneath those stormy skies
She's say, "Oh, oh-oh-oh-oh, I know the sun
must set to rise"
This could be para-para-paradise
Para-para-paradise
This could be para-para-paradise
Oh, oh-oh, oh-oh, oh-oh-oh
This could be para-para-paradise
Para-para-paradise
Para-para-paradise
Oh, oh-oh, oh-oh, oh-oh-oh
This could be para-para-paradise
Para-para-paradise
Para-para-paradise
Oh, oh-oh, oh-oh, oh-oh-o

i. “Ghost” by Justin Bieber

Youngblood thinks there's always tomorrow
I miss your touch on nights when I'm hollow
I know you crossed a bridge that I can't follow
Since the love that you left is all that I get
I want you to know that if I can't be close to you
I settle for the ghost of you
I miss you more than life (more than life)
And if you can't be next to me
Your memory is ecstasy
I miss you more than life
I miss you more than life
Youngblood thinks there's always tomorrow (woo)
I need more time but time can't be borrowed
I'd leave it all behind if I could follow
Since the love that you left is all that I get
I want you to know that if I can't be close to you
I'll settle for the ghost of you
I miss you more than life, yeah
And if you can't be next to me
Your memory is ecstasy (oh)
I miss you more than life
I miss you more than life
Whoa
Na, na-na
More than life
Oh
So if I can't get close to you
I'll settle for the ghost of you
But I miss you more than life
And if you can't be next to me
Your memory is ecstasy
I miss you more than life
I miss you more than life

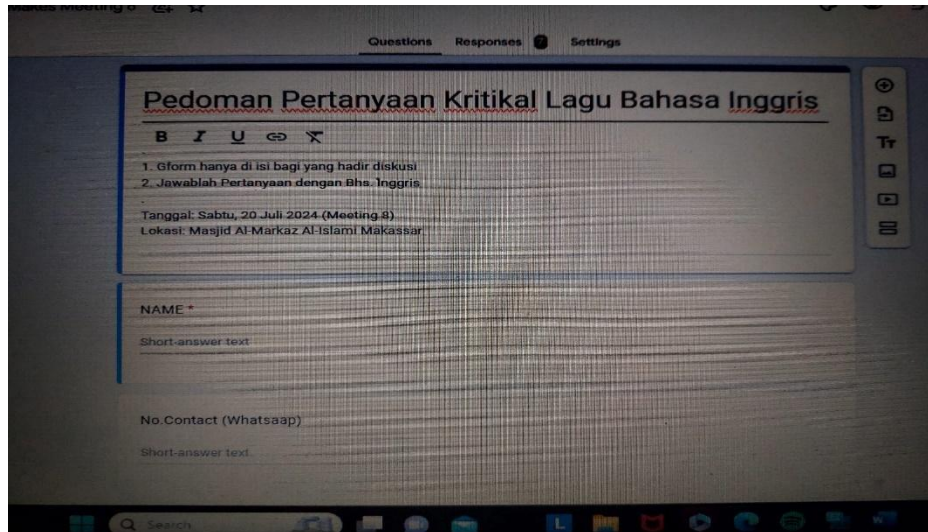

j. “Fight Song” by Rachel Platten

Like a small boat on the ocean
Sending big waves, into motion
Like how a single word can make a heart open
I might only have one match but
I can make an explosion
And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?
This is my fight song, take back my life song
Prove I'm alright song
My power's turned on, starting right now
I'll be strong
I'll play my fight song
And I don't really care if nobody else believes
Cause I've still got a lot of fight left in me
Losing friends and I'm chasing sleep
Everybody's worried about me
In too deep
Say I'm in too deep
And it's been two years I miss my home
But there's a fire burning in my bones
Still believe, Yes I still believe
And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?
This is my fight song, take back my life song
Prove I'm alright song
My power's turned on, starting right now I'll be
strong
I'll play my fight song
And I don't really care if nobody else believes
Cause I've still got a lot of fight left in me
A lot of fight left in me, ooouhh...

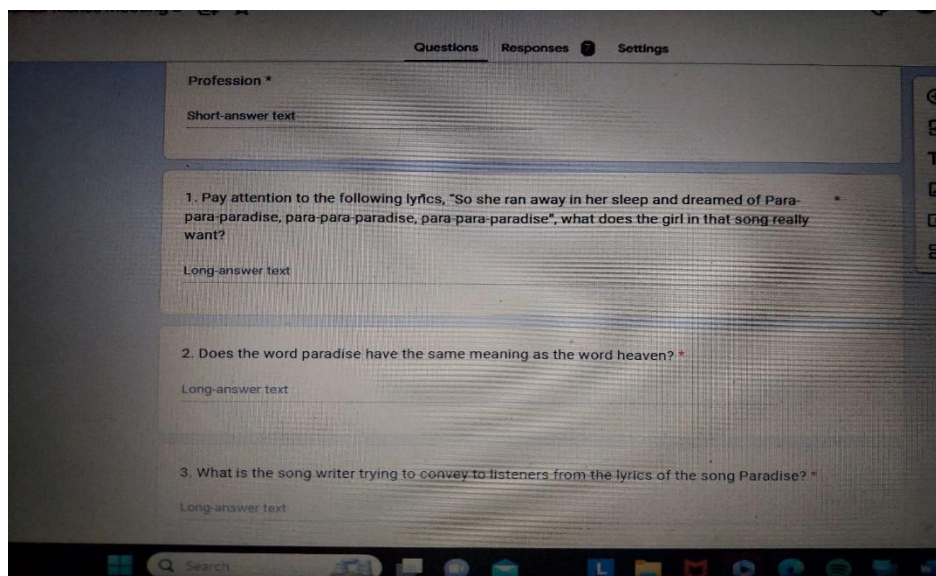

Like a small boat on the ocean
Sending big waves, into motion
Like how a single word can make a heart
open
I might only have one match but I can
make an explosion
This is my fight song, take back my life
song
Prove I'm alright song
My power's turned on, starting right now
I'll be strong
I'll play my fight song
And I don't really care if nobody else
believes
Cause I've still got a lot of fight left in me
Yeah I've still got a lot of fight left in me
