REKOMENDASI PERSETUJUAN ETIK

Nomor : 216/UN4.6.4.5.31/ PP36/ 2022

Tanggal: 10 Mei 2022

Dengan ini Menyatakan bahwa Protokol dan Dokumen yang Berhubungan Dengan Protokol berikut ini telah mendapatkan Persetujuan Etik :

| | | | |
|---------------------------------------|---|---|---------------------------|
| No Protokol | UH22030117 | No Sponsor Protokol | |
| Peneliti Utama | dr. Jainal Arifin, SpOT | Sponsor | |
| Judul Penelitian | Pengaruh Suplementasi Vitamin D terhadap Toll Like Receptor-2 (TLR-2), Toll Like Receptor-4 (TLR-4) serta Hasil Klinis pada Pasien Spondilitis Tuberkulosis | | |
| No Versi Protokol | 2 | Tanggal Versi | 19 April 2022 |
| No Versi PSP | 2 | Tanggal Versi | 19 April 2022 |
| Tempat Penelitian | RSUP Dr. Wahidin Sudirohusodo Makassar | | |
| Jenis Review | <input type="checkbox"/> Exempted <input type="checkbox"/> Expedited <input checked="" type="checkbox"/> Fullboard Tanggal 13 April 2022 | Masa Berlaku 10 Mei 2022 sampai 10 Mei 2023 | Frekuensi review lanjutan |
| Ketua KEP Universitas Hasanuddin | Nama Prof.Dr.dr. Suryani As'ad, M.Sc.,Sp.GK (K) | Tanda tangan | |
| Sekretaris KEP Universitas Hasanuddin | Nama dr. Agussalim Bukhari, M.Med.,Ph.D.,Sp.GK (K) | Tanda tangan | |

Kewajiban Peneliti Utama:

- Menyerahkan Amandemen Protokol untuk persetujuan sebelum di implementasikan
- Menyerahkan Laporan SAE ke Komisi Etik dalam 24 Jam dan dilengkapi dalam 7 hari dan Lapor SUSAR dalam 72 Jam setelah Peneliti Utama menerima laporan
- Menyerahkan Laporan Kemajuan (progress report) setiap 6 bulan untuk penelitian resiko tinggi dan setiap setahun untuk penelitian resiko rendah
- Menyerahkan laporan akhir setelah Penelitian berakhir
- Melaporkan penyimpangan dari protokol yang disetujui (protocol deviation / violation)
- Mematuhi semua peraturan yang ditentukan

FORMULIR PERSETUJUAN SETELAH PENJELASAN

Saya yang bertandatangan di bawah ini :

Nama : Ulya Prisila
Umur : 33 th
Pekerjaan : IRT
Pendidikan terakhir : SI
Alamat : Kedaton, Glawang, Tenggara

No HP : 082322536603

setelah mendengar/membaca dan mengerti penjelasan yang diberikan mengenai tujuan, manfaat, dan apa yang akan dilakukan pada penelitian ini, menyatakan setuju untuk ikut dalam penelitian ini secara sukarela tanpa paksaan.

Saya tahu bahwa keikutsertaan saya ini bersifat sukarela tanpa paksaan, sehingga saya bisa menolak ikut atau mengundurkan diri dari penelitian ini. Saya berhak bertanya atau meminta penjelasan pada peneliti bila masih ada hal yang belum jelas atau masih ada hal yang ingin saya ketahui tentang penelitian ini.

Saya juga mengerti bahwa semua biaya yang dikeluarkan sehubungan dengan penelitian ini, akan ditanggung oleh peneliti. Saya percaya bahwa keamanan dan kerahasiaan data penelitian akan terjamin dan saya dengan ini menyetujui semua data yang dihasilkan pada penelitian ini untuk disajikan dalam bentuk lisan maupun tulisan.

Dengan membubuhkan tandatangan saya di bawah ini, saya menegaskan keikutsertaan saya secara sukarela dalam studi penelitian ini.

| | Nama | Tanda tangan | Tgl/Bln/Thn |
|-----------|--------------|--------------|-------------|
| Responden | Ulya Prisila | Up | 08-07-2022 |
| /Wali | | | |
| Saksi 1 | Inan | ZH | 08-07-2022 |
| Saksi 2 | kuan | RH | 08-07-2022 |

(Tanda Tangan Saksi diperlukan hanya jika Partisipan tidak dapat memberikan consent/persetujuan

sehingga menggunakan wali yang sah secara hukum, yaitu untuk partisipan berikut:

1. Berusia di bawah 18 tahun
2. Usia lanjut

KUISIONER ODI SCORE (Oswestry Disability Index)

| Bagian | Centang (✓) | Bagian | Centang (✓) |
|---|-------------|---|-------------|
| Bagian I : Intensitas Nyeri | | | |
| Saya tidak memiliki rasa sakit saat ini | | Bagian VI : Berdiri | |
| Saya nyeri nya sangat ringan saat ini | | Saya bisa berdiri selama yang saya inginkan tanpa rasa sakit ekstra | |
| Rasa nyeri nya sedang saat ini | | Saya bisa berdiri selama yang saya inginkan tetapi itu memberi saya rasa nyeri ekstra | |
| Rasa nyeri nya cukup parah ini | ✓ | Rasa nyeri mencegah saya berdiri lebih dari 1 jam | ✓ |
| Rasa nyeri nya sangat parah saat ini | | ✓ Rasa nyeri mencegah saya berdiri lebih dari 10 menit | |
| Rasa nyeri nya adalah yang terburuk yang bisa dibayangkan saat ini | | Rasa nyeri mencegah saya berdiri lebih dari 10 menit | |
| Bagian II : Perasaan Pribadi (mencuci, bergerakkan, dlm) | | | |
| Saya bisa menjaga diri sendiri secara normal tanpa menyebabkan rasa sakit ekstra | | Tidurku tidak pernah terganggu oleh rasa nyeri | |
| Saya bisa menjaga diri sendiri secara normal tetapi itu menyebabkan rasa sakit ekstra | | Tidurku terkadang terganggu oleh rasa nyeri | |
| Untuk menjaga diri sendiri saya sangat lambat dan hati-hati, karena ada rasa nyeri | | Karena nyeri, tidur saya kurang dari 6 jam | ✓ |
| Saya butuh bantuan tetapi dapat mengelola sebagian besar perawatan pribadi | ✓ | Karena nyeri, tidur saya kurang dari 4 jam | |
| Saya membutuhkan bantuan setiap hari dalam Sebagian besar aspek perawatan diri | | Karena nyeri, tidur saya kurang dari 2 jam | |
| Saya tidak berpakaian, saya mencuci dengan susah payah, dan tetap di tempat tidur | | Rasa nyeri membuat saya tidak bisa tidur | |
| Bagian III : Mengangkat | | | |
| Saya tidak mengangkat beban berat tanpa rasa nyeri ekstra | | Aktivitas seks saya normal dan tidak menyebabkan rasa nyeri | |
| Saya bisa mengangkat beban berat tetapi itu memberi rasa nyeri ekstra | | Aktivitas seks saya normal tetapi menyebabkan sedikit rasa nyeri | |
| Rasa nyeri mencegah saya mengangkat beban berat dari lantai, tetapi saya dapat mengangkatnya jika diletakkan dengan nyaman misalnya diatas meja | | Aktivitas seks saya hampir normal tetapi menyebabkan rasa nyeri | ✓ |
| Rasa nyeri mencegah saya mengangkat beban berat, tetapi saya dapat menanganinya dengan ringan hingga sedang jika diperlakukan dengan nyaman | ✓ | Aktivitas seks saya terbatas karena rasa nyeri | |

| | |
|--|--|
| Saya bisa mengangkat beban yang sangat ringan | Aktivitas seks saya hampir tidak ada karena rasa nyeri |
| Saya tidak bisa mengangkat atau membawa apapun | Rasa nyeri menghilangkan aktivitas seks |
| Bagian IV : Berjalan | |
| Rasa nyeri mencegah saya berjalan jauh | Kehidupan sosial saya normal tanpa rasa nyeri |
| Rasa nyeri mencegah saya berjalan lebih dari 1 mil (1,6 km) | Kehidupan sosial saya normal tanpa rasa nyeri ✓ |
| Rasa nyeri mencegah saya berjalan lebih dari 0,5 mil (800 meter) | Rasa nyeri tidak berpengaruh pada kehidupan sosial saya selain membatasi saya dalam hal energik spiriti olahraga |
| Rasa nyeri mencegah saya berjalan lebih dari 100 yard (94 meter) | Rasa nyeri membatasi kehidupan sosial saya dan saya tidak sering keluar |
| Saya hanya bisa berjalan menggunakan tongkat atau kruk | Rasa nyeri telah membatasi kehidupan sosial saya di rumah |
| Saya ditentrami tidur sebagian besar waktu | Saya tidak memiliki aktivitas sosial karena rasa nyeri |
| Bagian V : Duduk | |
| Saya hanya duduk dikursi mana saja selama saya suka | Saya bisa berpergian kemana saja tanpa rasa nyeri |
| Saya hanya bisa duduk di kursi favorit yang saya suka | Saya dapat berpergian ke mana saja tetapi ada rasa nyeri |
| Rasa nyeri mencegah saya duduk lebih dari satu jam | Rasa nyeri cukup mengganggu tapi saya dapat melakukan perjalanan lebih dari 2 jam ✓ |
| Rasa nyeri mencegah saya duduk lebih dari 30 menit | Rasa nyeri cukup mengganggu meskipun saya dapat melakukan perjalanan kurang dari 1 jam |
| Rasa nyeri mencegah saya duduk lebih dari 10 menit | Rasa nyeri membatasi saya dalam perjalanan dekat dibawah 30 menit |
| Rasa nyeri mencegah saya untuk duduk sama sekali | Rasa nyeri menghambat saya berpergian kecuali benar-benar |

Dengan interpretasi sebagai berikut :

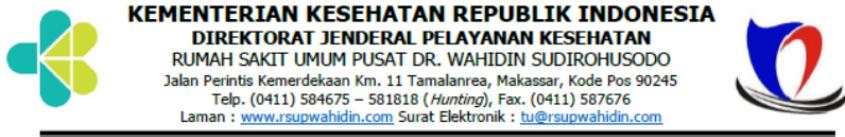

| Skor | Deskripsi |
|---|--|
| Disabilitas minimal 0%-20% | Pasien dapat melakukan sebagian besar aktivitas hidupnya. Biasanya tidak ada indikasi untuk pengobatan terlepas dari nashiat untuk mengangkat dan duduk dengan cara yang benar agar tidak bertambah parahnya tingkat disabilitas pasien. |
| Disabilitas sedang 21%-40% | Pasien menderita sakit dan mengalami ketidaknyamanan dalam aktivitasnya. Aktivitasnya terbatas pada aktivitas duduk, mengangkat, dan berdiri. Untuk berpergian dan kehidupan sosial akan lebih dihindari. Sedangkan untuk perawatan pribadi dan tidur tidak terlalu terpengaruh. |
| Disabilitas berat 41%-60% | Rasa sakit dan nyeri tetap menjadi masalah utamanya sehingga menganggu aktivitas sehari-hari. |
| Disabilitas sangat berat / Lumpuh 61%-80% | Sangat menganggu seluruh aspek kehidupan pasien. |
| 81%-100% | Pasien tidak dapat melakukan aktivitas sama sekali dan hanya tergolek di tempat tidur. |

SURAT IJIN PENELITIAN DI RS WAHIDIN SUDIROHUSODO

Nomor : LB.02.01/2.2/
Hal : Izin Penelitian /2022

27 Juli 2022

Yth. Ketua Program Studi S3 Ilmu Kedokteran
Fakultas Kedokteran Universitas Hasanuddin Makassar

Sehubungan dengan surat saudara nomor 10515/UN4.6.8/PT.01.04/2022, tertanggal 13 Mei 2022, hal Permohonan Izin Penelitian, dapat kami fasilitasi dan memberikan izin pelaksanaan penelitian kepada:

| | |
|--------------|---|
| Nama | : dr. Jainal Arifin, M.Kes, SpOT(K) Spine |
| NIM | : C013201015 |
| Prog. Studi | : Doktor Ilmu Kedokteran |
| No. HP | : 0814442666 |
| Judul | : Pengaruh Suplementasi Vitamin D terhadap Toll Like Receptor-2 (TLR-2), Toll Like Receptor-2 (TLR-4) serta Hasil Klinis pada Pasien Spondilitis Tuberkulosis |
| Jangka Waktu | : 01 Agustus s.d 01 November 2022 |
| Lokasi | : Poliklinik Paru; Perawatan Infeksi Paru. |

dengan ketentuan sebagai berikut:

1. Sesuai dengan peraturan dan ketentuan penelitian yang berlaku di lingkup RSUP Dr Wahidin Sudirohusodo
2. Sebelum meneliti, peneliti wajib melapor kepada Pengawas Penelitian di masing-masing unit yang menjadi lokasi penelitian
3. Pelaksanaan penelitian tidak mengganggu proses pelayanan terhadap pasien
4. Pemeriksaan penunjang, BHP dan lain-lain digunakan dalam penelitian, menjadi tanggung jawab peneliti, tidak dibebankan kepada pasien ataupun RS
5. Peneliti melaporkan proses penelitian secara periodik serta hasil penelitian di akhir waktu penelitian
6. Mencantumkan nama RSUP Dr Wahidin Sudirohusodo sebagai afiliasi institusi dalam naskah dan publikasi penelitian
7. Surat Keterangan Selesai Penelitian menjadi salah satu syarat untuk mengikuti Seminar Hasil Penelitian
8. Bukti Penyerahan Skripsi/Thesis/Disertasi ke RSUP Dr Wahidin Sudirohusodo menjadi syarat penyelesaian studi.

Mohon dapat dipastikan agar ketentuan tersebut dipenuhi peneliti sebelum menyelesaikan studi di institusi saudara. Atas perhatian dan Kerjasama yang baik, diucapkan terima kasih.

Adiwiyda, SKM, M.Kes
